

PREAMBLE

This Contract is made between the State of New Jersey and Local No. 195, the International Federation of Professional and Technical Engineers, AFL-CIO, covering all employees in the Operations, Maintenance and Services and Crafts Unit; and Local No. 195, the International Federation of Professional and Technical Engineers, AFL-CIO, and Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, covering all employees in the Inspection and Security Unit. This Contract has as its purpose the promotion of harmonious employee relations between the State and its employees represented by the Union; the establishment of equitable and peaceful procedures for the amicable resolution of all disputes and grievances; and the determination of the wages, hours of work and other terms and conditions of employment. Further, the State and the Union agree that the working environment should be characterized by mutual respect for the common dignity to which all individuals are entitled.

Now, therefore, in consideration of the mutual promises of this Contract the parties agree as follows:

ARTICLE 1

RECOGNITION

A. 1. The State of New Jersey, by the Office of Employee Relations in the Governor's Office (hereinafter referred to as the "State"), hereby recognizes Local No. 195, the International Federation of Professional and Technical Engineers, AFL-CIO, as the sole collective negotiating agent with respect to wages, hours of work and other terms and conditions of employment for all its employees in the state-wide Operations, Maintenance and Services and Crafts Unit.

2. The State hereby recognizes Local No. 195, the International Federation of Professional and Technical Engineers, AFL-CIO, and Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, as the sole collective negotiating agent with respect to wages, hours of work and other terms and conditions of employment for all its employees in the state-wide Inspection and Security Unit.

3. The State will not negotiate with nor grant rights solely afforded under the terms or provisions of this Contract to any other employee organization in connection with the employees in this unit as long as said Unions described above are the certified majority representative.

B. 1. Included in this unit are all full-time permanent (including probationary) provisional and unclassified employees of the State of New Jersey listed in Appendix III A, B and C and all permanent part-time employees who are regularly scheduled to work twenty (20) or more hours per week for forty (40) hour fixed work week titles and seventeen and one-half (17.5) hours per week for thirty-five (35) hour fixed work week titles and who are included in the classifications listed in Appendix III A, B and C, and Intermittent employees whose titles are listed in Appendix III A, B and C, and who meet the hourly requirements set forth in Letter of Agreement #3.

2. a. The State shall provide the Union with notice of all newly created classifications in State Service.

b. The State, after thirty (30) days, may make a final assignment of any new classification to a negotiating unit or decide that such classification is not included in any negotiating unit.

c. Within thirty (30) days of notification of a newly created classification, the Union shall notify the State in writing, if it contends that such new classification should be assigned to this negotiating unit. Where such written notification from the Union has been received, the State shall notify the Union as to what assignment, if any, has been made in connection with such new classification.

d. Disputes concerning the assignment of classifications may only be resolved through the processes of the Public Employment Relations Commission.

C. 1. Excluded from the Operations, Maintenance and Services and Crafts Unit are:

- a. Managerial Executives
- b. Supervisors
- c. Policemen
- d. Employees represented in other certified negotiations units

- c. Policemen
- d. Employees represented in other certified negotiations units
- e. All other employees of the State of New Jersey not included within the statewide

D. Part-Time Employees

The inclusion of certain part-time employees within the negotiating unit and under this Contract shall not be construed to expand the coverage of any State program relating to terms and conditions of employment for which such part-time employees were not previously deemed to be eligible, or to include such part-time employees under the coverage of any provision of this Contract unless the substance of the provision describes a type of program for which such part-time employees were generally eligible prior to inclusion under the Contract. Where such part-time employees are eligible for State programs or coverage under provisions of this Contract, appropriate pro-rations will be made in accordance with their part-time status.

E. Job Training Partnership Act

Employees who are within the classifications included in this unit but appointed under the JTPA Program (if it is made applicable to State employees) or other comparably funded employment program are considered to be subject to all provisions of this Contract as provisional employees except that the federal legislation and regulations concerning this program and any agreement between the State and any local government prime sponsor which is involved shall be in effect and modify the provisions of this Contract which would otherwise be operable.

Any grievance as to whether or not the provisions of the Contract conflict with federal legislation or regulations or any agreement with a local government prime sponsor shall be considered to be governed under section A.2. of Article 7, Grievance Procedure, or if relating to any item as set forth in Article 7, Grievance Procedure, C.1, then directly to the Civil Service Commission.

F. Intermittent Employees

The designation "intermittent" shall be used for those career service titles where work responsibilities are characterized by unpredictable work schedules and which do not meet the normal criteria for regular, year round, full-time or part-time assignments. The intent of this language shall not be abused. Upon request, the Union and State shall meet to discuss and rectify any suspected abuses of this provision.

G. Confidential Employees

If the State determines that an employee in a position currently represented by the Union is performing confidential duties as defined by Section 3 of the New Jersey Employer-Employee Relations Act (EERA), the State will notify the Union and provide the Union with the basis upon which it maintains that the employee is a confidential. If the Union objects to the designation of an employee as confidential prior to the removal of the employee from the unit, OER and the Union will meet to review the basis for the confidential designation. If after such review the Union continues to object, the employee may be removed from the unit as a confidential. The Union may pursue its objection in an appropriate forum.

ARTICLE 2

MANAGEMENT RIGHTS

A. The State, its several Departments and subordinate functions retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

B. Except as specifically abridged, limited or modified by the terms of this Contract between the State and the Union, all such rights, powers, authority, prerogatives of management and responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State. The State shall notify Local 195 and Local 518 of any proposed changes in employee Code of Ethics, employee guidelines or any rules governing employee conduct prior to implementation and the Unions shall have the opportunity to discuss proposed changes with the State.

ARTICLE 3

MERIT SYSTEM LAWS, RULES AND REGULATIONS

A. The administrative and procedural provisions and controls of Civil Service Law and Rules and Regulations established by law (for example, those of the Civil Service Commission) are to be observed in the administration of this Contract except to the extent that this Contract pertains to subjects not therein contained.

B. Where the terms of this Contract specifically indicate an understanding contrary to, or in conflict with any such provisions and controls, the parties agree that the provisions and controls contained in such Laws shall govern. Nothing herein shall be construed to deny any individual employee his rights under the Civil Service law or Regulations.

C. This Article does not apply to employees in the unclassified service.

ARTICLE 4

NON-DISCRIMINATION

A. The State and the Union agree there shall not be any discrimination, including harassment, based on race, creed, color, national origin, nationality, ancestry, age, sex, familial status, marital status, affectional or sexual orientation, atypical hereditary cellular or blood trait, genetic information, liability for military service, and mental or physical disability, including perceived disability and AIDS and HIV status or political affiliation.

B. The State agrees not to interfere with the rights of employees to become members of the Union. There shall be no discrimination by the State or any of its representatives against any employee because of Union membership or because of any employee activity permissible under law or this Contract in an official capacity on behalf of the Union, or for any other cause.

C. The Union recognizes its responsibility as exclusive negotiations agent and agrees to represent all employees in the negotiating unit without discrimination or interference.

D. All references in this Contract to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

ARTICLE 5

POLICY AGREEMENTS

A. 1. During the term of this Contract the Union agrees not to engage in or support any strike, work stoppage, slowdown, or other job action by employees covered by this Contract but shall not be liable for unauthorized action of employees covered by this Contract.

2. Should an unauthorized strike, work stoppage, slowdown, or other job action by employees covered by this Contract take place, the Union will take public action to bring about an immediate cessation of such actions.

B. No lockout of employees shall be instituted or supported by the State during the term of this Contract.

C. These agreements are not intended to limit the freedom of speech of the Union or its members.

ARTICLE 6

DUES DEDUCTION, REPRESENTATION FEE AND UNION POLITICAL ACTION COMMITTEE

A. Dues Deduction

1. The State agrees to deduct from the regular paycheck of any employee in the Operations, Maintenance and Services and Crafts Unit, the dues of Local No. 195, International Federation of Professional and Technical Engineers, AFL-CIO, and from the pay of any employee in the Inspection and Security Unit the dues of Local No. 195, International Federation of Professional and Technical Engineers, AFL-CIO, or Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, provided the employee submits an authorization for dues deduction in writing and in proper form to the responsible payroll clerk. On receipt of the form, the payroll clerk shall forward it within two (2) working days to the centralized payroll section, Department of the Treasury. Dues deduction will be reflected in the paycheck for the current pay period, provided the form is received in centralized payroll at least seven (7) calendar days prior to the end of the pay period otherwise to be reflected in the next pay period. If violations of these time frames are brought to the attention of the State, the State will review the matter and make best efforts to resolve the problem within two pay periods.

2. Dues so deducted by the State shall be transmitted to Local No. 195, International Federation of Professional and Technical Engineers, AFL-CIO or Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, as may be appropriate.

3. The Union shall certify to the State the amount of Union dues and shall notify the State of any change in dues structure thirty (30) days in advance of the requested date of such change. The change shall be reflected in payroll deduction at the earliest time after receipt of the request.

4. Where an employee's dues deduction is discontinued, the Union shall be provided with the State's reason for the discontinuance on a quarterly basis. Unless an employee withdraws authorization for the deduction of Union dues, the State will continue to deduct dues. The movement of an employee from one title to another title and/or from one unit to another unit will not affect dues deduction, unless the new title or unit is not represented by the Union. It is understood that a transfer from IFPTE to SEIU or from SEIU to IFPTE is not considered a transfer from one unit to another.

5. Dues deductions for any employee in this negotiating unit shall be limited to the exclusive majority representative. Employees shall be eligible to withdraw such authorization only as of July 1 of each year provided the notice of withdrawal is filed timely between May 20 and June 20 with the responsible payroll clerk.

6. The State will provide the Union with the following information on computer tape or disk provided by the Union: (1) employee's name, (2) address, (3) social security number, until such time as the State shall institute an employee identification number system which shall be used in place of the social security number for such purposes, (4) check distribution number, (5) payroll number, (6) dues or agency shop fee amount, (7) negotiations unit, (8) sex, (9) title, (10) anniversary date, (11) range and salary step, (12) pay period [and] (13) location code and current key. Employee paychecks will separately identify Union dues and representation fees.

B. Representation Fee (Agency Shop)

1. Purpose of Fee

a. Subject to the conditions set forth in section 1.b. below, all eligible nonmember employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative until June 30, 2015. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

b. It is understood that the continuation of the agency fee program is predicated on the demonstration by the Union that more than 50% of the eligible employees in the negotiating unit are dues paying members of the Union.

c. If at the signing of this Contract the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date, i.e., January 1, April 1, July 1 or October 1, the agency fee plan shall be reinstated, with proper notice to affected employees.

d. In each year of the Contract on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

2. Amount of Fee

a. Prior to the beginning of each contract year, the Union will notify the State in writing of the amount of regular membership dues, initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with paragraph A. above.

b. The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. Deduction and Transmission of Fee

a. After verification by the State that employees must pay the representation fee, the State will deduct the fee for all eligible employees in accordance with this Article.

b. The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

c. The State shall deduct the representation fee as soon as possible after the tenth day following reentry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals reemployed in this unit from a reemployment list, for employees returning from leave without pay, and for previous employee members who become eligible for the representation fee because of non-member status.

d. The State shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

4. Demand and Return System

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union.

The Union shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures established by the Union. The Union shall submit a copy of the Union review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system.

If the employee is dissatisfied with the Union's decision, he may appeal to a three-member board established by the Governor.

5. State Held Harmless

The Union hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from the State's agreement to make deductions in accordance with this provision. The State shall not be liable to the Union or employee for any retroactive or past due representation fee for an employee who was identified by the State as excluded or confidential or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

6. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

C. Union Political Action Committee

Pursuant to legislation, the State shall upon presentation of a proper and duly authorized form, deduct from the salary of each employee in the negotiations unit a sum specified by the Union and not to exceed the limits prescribed by law, for the purpose of contributing to an appropriate Union Political Action Committee.

This provision applies to present and future members and non-member employees in the negotiations units.

The fee deduction referred to above shall be forwarded to the Union promptly and in accordance with the provisions of applicable law.

ARTICLE 7

GRIEVANCE PROCEDURE

A. Grievance Definition

A "grievance" is:

1. A claimed breach, misinterpretation or improper application of the terms of this Contract (contractual grievance); or

2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policies, agreements, administrative decisions, or laws, applicable to the agency or department which employs the grievant which establish terms and conditions of employment (non-contractual grievance). For purposes of this Contract, terms and conditions of employment shall be those matters which intimately and directly affect the work and welfare of the employees covered hereunder and on which the negotiated agreement will not significantly interfere with the exercise of inherent managerial prerogatives pertaining to the determination of governmental policy.

B. Purpose and Employee and Union Rights

1. The purpose of this procedure is to provide the exclusive vehicle for prompt and equitable solutions and settlements of individual employee grievances and Union grievances arising from the administration of this Contract and/or other conditions of employment.

2. It is agreed that the individual employee is entitled to use this grievance procedure in conjunction with the Union in accordance with the provisions hereof.

3. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

4. Nothing in this Contract shall be construed as compelling the Union to submit a grievance to arbitration or to represent an employee before the Civil Service Commission. The Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

C. Scope of the Grievance Procedure

1. It is understood by the parties that this grievance procedure represents the exclusive process for the resolution of disputed matters arising out of the Grievance Definition, sections A.1. and 2. above, except for those specific matters listed below:

a. The following matters may only be appealed directly to the Civil Service Commission subsequent to proper notification to the responsible local management officials:

1. Out-of-title-work
2. Position Classification and re-evaluation review
3. Layoff and recall rights
4. Merit System examination procedures for which an appeal exists
5. Removal at completion of working test period
6. Leave of absence due to job-related injury or disease

b. A claim of improper and unjust discipline against an employee shall be processed in accordance with Article 8, Discipline, of this Contract.

2. A claimed breach, misinterpretation or improper application of Article 3, Merit System Laws, Rules and Regulations of this Contract is grievable only as an A.2. grievance.

3. Reference by name, title or otherwise in the Contract to laws, rules, regulations, formal policies or orders of the State shall not be construed as bringing any allegation concerning the breach interpretation or application of such matters within the scope of arbitrability as set forth in the Contract.

D. Filing of the Grievance

1. Any member of the collective negotiating unit may orally present and discuss his complaint with his immediate supervisor on an informal basis prior to filing a formal grievance at Step One.

2. In the event that the grievance has not been satisfactorily resolved on an informal basis then the grievance may be reduced to writing on a grievance form to be provided for such purpose. The grievance form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the Contract, and/or policies, which the grievant claims to have been violated.

3. All such grievances shall be given in writing to the designated representative of the party against whom it is made on "grievance forms" to be provided by the State. If forms are not made reasonably available to employees, a grievance may be filed in writing without a form provided that such grievance adequately sets forth the nature of the grievance and describes the policies and/or articles of the Contract that are alleged to have been violated. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure.

4. When a grievance is initiated, the original forms shall be forwarded to the Personnel Officer of the appropriate operating agency and to the appropriate Union office: Local 195 at Union Headquarters, 186 North Main Street, Milltown, NJ, 08850, or Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC to Nicholas Minutillo, 397 Passaic Avenue, Lodi, New Jersey 07644; and the employee representative copy shall be forwarded to the appropriate Union representative. After the grievance is resolved, the copies shall be distributed as designated on the grievance form.

5. Where the subject of a grievance suggests it is appropriate, and where the parties mutually agree, such grievance may be initiated at or moved to any step of the procedure, prior to arbitration without hearing at a lower step.

6. Where a grievance directly concerns and is shared by more than one (1) grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants. The presentation of such group grievance will be by the appropriate Union representative and one (1) of the grievants, designated by the Union. Where the group contains more than ten (10) grievants and where because of the unique circumstances of the case more than one grievant is necessary the Union may be permitted to designate two (2) of the affected grievants for the presentation of the grievance. A group grievance may only be initiated by the Union. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the State to consolidate such grievances for hearing as a group grievance provided the time limitations expressed elsewhere herein are understood to remain unaffected and the Union shall be notified of this action.

E. Grievance Time Limits and Time Limits for Management Responses

1. A grievance must be filed initially within thirty (30) calendar days from the date on which the act which is the subject of the grievance occurred or thirty (30) calendar days from the date on which the grievant should reasonably have known of its occurrence. Other references to days in this process unless otherwise indicated are working days of the party to which they apply.

2. Final decision after a scheduled hearing shall be rendered in writing to the grievant and to either Local No. 195 at Union Headquarters, 186 North Main Street, Milltown, NJ, 08850, or Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, to Nicholas Minutillo, 397 Passaic Avenue, Lodi, New Jersey 07644, within the following time limits or within fifteen (15) calendar days after the conclusion of the conference at Step One or hearing at Step Two, and twenty-five (25) calendar days after the conclusion of the hearing at Step Three, whichever is later.

a. At Step One, within ten (10) calendar days of the receipt of the grievance, a hearing shall be scheduled.

b. At Step Two, within fifteen (15) calendar days of the receipt of the appeal from the Step One decision, a hearing shall be scheduled.

c. At Step Three, within twenty-five (25) calendar days of the receipt of the appeal from the Step Two decision, a hearing shall be scheduled.

3. Should a grievance not be satisfactorily resolved, or should the employer not respond within the prescribed time periods, either after initial receipt of the grievance or after a hearing, the grievance may be appealed within ten (10) calendar days to the next step. The lack of response to a grievance by the State within prescribed time periods, unless time limits have been extended by mutual agreement, should be construed as a negative response. If there is no response in the prescribed time limits, the Union may either appeal the grievance to the next level or wait for the written decision.

4. When a grievance appeal is to be filed, the State representative at the last hearing shall inform the grievant of the name and position of the next higher level of management to whom the appeal should be presented.

5. All of the time limits contained in this Article may be extended only by mutual agreement of the parties and shall be confirmed in writing, and the involved management representative will undertake such written confirmation.

6. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

7. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the thirty (30) calendar days provided in section E.1. above except that payroll errors shall be corrected to date of error.

F. Grievance Steps and Arbitration (Grievance Steps and Arbitration for Employees at State Colleges and Universities are set forth in G. below)

1. Step One

In the event the matter is not resolved informally, the grievant may submit his grievance in writing to the first level of supervision designated to consider the matter. If a worker files a formal grievance, the Union will be provided with a copy of the grievance within five (5) days from the date of filing. Management shall either decide to have the designated supervisor consider the grievance or directly forward the grievance to be processed in accordance with Step Two. In the event management decides to move the grievance to Step Two, management will notify the grievant in writing within eight (8) calendar days of the receipt of the grievance. If management decides to have its designated supervisor consider the matter with the grievant, the designated supervisor shall render a determination in writing and in keeping with the time limits set forth in paragraph E. above of this Article. The appropriate Union representative shall be an employee (see paragraph J. below).

2. Step Two

If the grievant is not satisfied with the disposition of the grievance at Step One, he may appeal to the highest management representative or other designated individual. If a worker files a formal grievance, the Union will be provided with a copy of the grievance within five (5) days from the date of filing. The management representative or his designee shall conduct a hearing. The appeal shall be accompanied by the decisions at the preceding level and any written record that may have been made a part of the preceding hearing. In the event the grievance has been moved directly to Step Two pursuant to management's option set forth in Step One, then the time limits established under paragraph E. above for Step Two shall be applied from the date such grievance was received by the highest operational management representative. The employee shall be notified of such movement to Step Two. The appropriate Union representative shall be an employee (see paragraph J. below).

3. Step Three

a. In the event that the grievance has not been satisfactorily resolved at Step Two, then an appeal to the Department or Agency Head or his designee may be made in writing. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made a part of the proceedings. The Department or Agency Head, or his designee, shall hear the grievance and shall thereafter issue a written decision to the grievant, a copy of which shall be sent by mail to either Local No. 195 at Union Headquarters, 186 North Main Street, Milltown, NJ, 08850, or Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, to Nicholas Minutillo, 397 Passaic Avenue, Lodi, New Jersey 07644. The Union Representative shall be an appropriate Union official who is not an employee of the State and/or another appropriate Union Representative who is an employee (see paragraph K. below).

b. If the decision involves a non-contractual grievance as defined in A.2. above the decision of the Department Head or his designee shall be final, except as provided below.

4. Appeal to the Governor's Office of Employee Relations

a. In the event the grievance has not been satisfactorily resolved at Step Three and it is a non-contractual grievance as defined in A.2. above or an alleged violation of Article 4, Non-Discrimination, of the Contract, which is not legally arbitrable under the Contract, the Union may submit the grievance to the Governor's Office of Employee Relations within fourteen (14) calendar days of receipt of the decision at Step Three.

b. If an appeal is not made in a timely fashion the decision of the Department Head or designee shall be final.

c. The Governor's Office of Employee Relations shall schedule grievance meetings on a quarterly basis with the Union so that the Union may present its position on the grievances submitted to the Governor's Office of Employee Relations during that quarter for consideration. The parties may mutually agree to schedule additional meetings. The appropriate Union representatives shall be an appropriate non-employee representative and no more than two (2) other appropriate Union officers who shall be employees of the State but not employed by the same Department of State government. The Governor's Office of Employee Relations shall render a decision on each grievance within thirty (30) days of the grievance meeting.

d. The Union agrees that such grievances will be screened through its internal mechanisms prior to submission to the Governor's Office of Employee Relations under this procedure. It is understood and agreed that the maximum number of grievances that may be appealed to the Governor's Office of Employee Relations during any contractual year is ten (10).

5. Arbitration

a. In the event that the grievance has not been satisfactorily resolved at Step Three and the grievance involves an alleged violation of the Contract as described in the definition of a grievance in A.1. above, then a request for arbitration may be brought only by the Union, through its President or one of the Business Agents or Attorney within twenty-two (22) calendar days from the day the Union received the Step Three decision by mailing a written request for arbitration by certified or registered mail to the Director of the Governor's Office of Employee Relations. All communications concerning appeals and decisions at this step shall be made in writing. A request for arbitration shall contain the names of the Department or Agency and employee involved, copies of the original grievance, appeal documents and written decisions rendered at the lower steps of the grievance procedure. If mutually agreed a pre-arbitration conference may be scheduled for the purpose of attempting to settle the matter and to frame the issue or issues absent a settlement. Neither party will unreasonably deny the request of the other party for such a conference.

b. Within thirty (30) days of the execution of this Contract, the parties shall mutually agree upon a panel of three (3) arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case except that when circumstances appear to warrant and the parties mutually agree, the designated arbitrator shall hear any number of grievances which are appropriate at one sitting. If a member of the panel is unable to serve, the next member in sequence shall then serve. In the event that parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission, until such time as the parties mutually agree upon a panel. All panel arbitrators must agree, in writing and in advance as a condition for being placed on the panel, to accept a fee of no more than \$1,000 per day, and to impose a fee of no more than \$500 for a cancellation by either party without good cause. Each member of the panel of arbitrators and the neutral on the Joint Union/Management Panel serves by mutual agreement of the State and the Union. If, during the term of the agreement, either side finds an arbitrator or the neutral to be unacceptable the parties will meet and attempt to resolve the problem. The arbitrator or neutral will be removed if the parties are unable to reach agreement regarding his continuation. A new arbitrator or neutral will be selected to replace the discontinued panel member. If the parties are unable to agree on such new panel member, an ad

hoc replacement arbitrator or neutral shall be selected on a case-by-case basis under the selection procedure of PERC.

c. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Contract or laws of the State, or any policy of the State or sub-division thereof or to determine any dispute involving the exercise of a management function which is within the authority of the State as set forth in Article 2, Management Rights, and shall confine his decision solely to the interpretation and application of this Contract. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not essential in reaching the determination. Unless designated as advisory pursuant to any other Article of this Contract, the decision or award of the arbitrator shall be final and binding consistent with applicable law and this Contract. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Contract, provided such remedy is permitted by law and is consistent with the terms of this Contract. If the arbitrator renders a back pay award, then in accordance with State policy, appropriate benefits will be restored to the employee for the period of time covered by the back pay award. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Contract. The fees and expenses of the arbitrator shall be divided equally between the parties. The parties may agree to make a verbatim record through a certified transcriber, with the attendance fee of the court reporter shared between the parties. Absent agreement, either party may request a verbatim record through a certified transcriber, with the attendance fee of the court reporter to be paid by the requesting party. In either case, each party will bear the cost of any transcript it orders. In the event the arbitrator requests a transcript, the cost of the transcript, including any attendance fee, shall be shared equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

d. The arbitrator shall hold a hearing at a time and place convenient to the parties within thirty (30) days of his acceptance to act as arbitrator and shall issue his decision within thirty (30) days after the close of the hearing.

G. Modified Grievance Steps for Employees at State Colleges and Universities

1. Step One

In the event the matter is not resolved informally, the grievant may submit his grievance in writing to the office or individual designated by the College/University to process the matter. Management shall schedule a grievance meeting unless the parties mutually agree to conduct a hearing. At the meeting one person shall act as spokesperson for the grievant and one person shall act as spokesperson for management. A reasonable number of resource people shall be allowed to attend the grievance meeting if mutually agreed to by the parties. A resource person is an individual in the active employ of the State who possesses direct information important to the clarification of the matter. The appropriate Union representative is set forth in Article 7, K.1.c. When a meeting is conducted and no resolution is reached, management shall put forth a statement stating the issue(s) grieved, the contract articles cited in the grievance, a summary of each parties presentation and a conclusion that no agreement between the parties has been reached and why such resolution has not been reached. Such written statement shall be rendered within the time frameworks outlined in Article 7, E.2.b. The statement issued at Step One shall be construed as management's Step One decision.

2. Step Two

a. In the event that the grievance has not been satisfactorily resolved at Step One, then an appeal to the President or his/her designee may be made in writing within time limits established

in Article 7, E.3. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made a part of the proceedings. The President, or his/her designee, shall hear the grievance and shall thereafter issue a written decision to the grievant, a copy of which shall be sent by mail to the Union Headquarters, 186 North Main Street, Milltown, NJ, 08850. The appropriate Union representative is set forth in Article 7, K.1.d. The time limits established under Article 7, E.2.c. shall apply.

b. If the decision involves a non-contractual grievance as defined in Article 7, A.2. the decision of the President or his/her designee shall be final, except as provided below.

3. Appeal to the Governor's Office of Employee Relations

See Article 7, F.4.a. through d. except that the reference in section F.4.a. to "Step Three" is changed to "Step Two".

4. Arbitration

See Article 7, F.5.a. through d. except that the reference in section F.5.a. to "Step Three" is changed to "Step Two".

H. Grievance Investigation-Time Off

1. When a grievance has been formally submitted in writing and the Union represents the grievant, and where the Union Steward requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Steward will be granted permission and reasonable time, to a limit of two (2) hours, to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Steward or Officer and of any involved employee are adequately covered, and providing further there is no disruption of work. Such time release shall not be unreasonably withheld. Where a Union Steward serves a mutually agreed upon grievance district encompassing two (2) or more geographically separate work locations and where the circumstances require it, a supervisor may authorize a maximum of four (4) hours for any appropriate investigation of grievances.

2. Such time release shall not be construed to include preparation of paperwork, record keeping, conferences among Union officials nor preparation for presentation at a grievance hearing.

I. Time Off For Grievance Hearings

1. An employee and his designated employee representative shall be allowed time off without loss of pay:

a. as may be required for appearance at a hearing of the employee's grievance scheduled during working hours;

b. for necessary travel time during working hours.

2. If the hearing extends beyond the employee's normal working hours or is held other than during his normal working hours, compensatory time equal to the additional time spent at the hearing shall be granted but such time shall not be considered time worked for the computation of overtime.

3. Where the employee or the Union requests employee witnesses, permission for a reasonable number of witnesses required during the grievance proceedings will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance and travel time as required if during his normal scheduled working hours. If such appearance is permitted during other than the employee's normal working hours, or extends beyond the employee's normal working hours, compensatory time equal to the additional time required shall be granted but such time shall not be considered time worked for computation of overtime.

J. General Rules and Procedures

1. Grievance resolutions or decisions at Steps One and Two shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the

Governor's Office of Employee Relations with the Union President or one of the Business Agents.

2. Where an individual grievant initiates a grievance, such grievance shall only be processed through Union representation.

3. The Union, through its stewards or other authorized Union representative may initiate an A.I. grievance at Step Two of this procedure.

4. Relevant and necessary public information material and documents concerning any grievance will be provided by the Union and the State upon request to the other. If there is a dispute between the Union and management regarding entitlement to information under this provision, the Governor's Office of Employee Relations will resolve the matter.

5. Copies of any written documents which are introduced into evidence by the State and relied upon by the State hearing officer during any disciplinary or grievance hearings will be given to the Union if they have not been previously transmitted to the Union.

6. No grievance settlement reached under the terms of the Contract shall add to, subtract from or modify any terms of this Contract.

7. At Steps Two and beyond in the grievance procedure, if a hearing is held witnesses may be heard and pertinent records received.

8. Witnesses who appear at any step as provided in this procedure may be examined or cross-examined by the State or Union representative.

9. The State, upon request, will make available to the Union relevant documents in its possession necessary to the processing of grievances through arbitration. Management will provide the requested documents within seven (7) calendar days from receipt of the request. In the event additional documents are thereafter discovered, the use of such documents shall not be precluded so long as the documents are disclosed not later than three (3) days prior to the arbitration hearing. The term "document" is defined to be synonymous in meaning and equal in scope to the usage of that term in New Jersey Court Rule 4:18-1(a).

10. The Union, upon request, will make available to the State relevant documents in its possession necessary to the processing of grievances through arbitration. The Union will provide the requested documents within seven (7) calendar days from receipt of the request. In the event additional documents are thereafter discovered, the use of such documents shall not be precluded so long as the documents are disclosed not later than three (3) days prior to the arbitration hearing. The term "document" is defined to be synonymous in meaning and equal in scope to the usage of that term in New Jersey Court Rule 4:18-1(a).

11. The Union may undertake to amend the grievance during the initial step at which such grievance is filed. By mutual agreement the Union may amend the grievance up to Step Three. It is understood that such amendment is only for the purpose of clarification and shall not be utilized to change the nature of the grievance or to include additional issues.

12. A steward is an employee of the State serving as the designated union representative in the grievance district pursuant to Article 33 Section D.2. An executive board member is an employee of the State, who sits on the executive board of a Union local. A local executive board member will have all the privileges of a steward and may represent any employee in the grievance district, regardless of the employee's negotiations unit. Time off for an executive board member is governed by Section I of this article. The parties will mutually designate the grievance district within the jurisdiction of an executive board member.

K. Appropriate Union Representatives and Grievance Districts

1. a. Each State institution or facility at which more than twenty-five (25) employees are assigned shall constitute one or more grievance districts. Where there are more than fifty (50) employees assigned to any such institution or facility, the involved Department or Agency Head or his designee may require that such institution or facility be structured into additional grievance

districts provided that grievance districts encompassing fewer than fifty (50) employees may not be required.

b. Step One

The appropriate representative at Step One shall be the recognized Union Steward, who shall be an employee within the grievance district. In the event the grievance district does not have a designated and duly authorized steward, the Union may request of the involved Department or Agency that the Union's Business Agent or other appropriate non-employee Union representative be permitted to represent the grievant, or the involved Department or Agency may move the matter to the next higher step for hearing. Such request shall not be unreasonably denied. It is understood that the Union will make every effort to appoint appropriate stewards in each grievance district and the above privilege will not be abused by the Union.

c. Step Two

The appropriate representative at Step Two shall be the recognized Union Steward or another recognized Union Officer who is an employee within the grievance district or districts encompassed by an institution or facility. In the event the grievance district does not have a designated and duly authorized steward, the Union may request of the involved Department or Agency that one of the Union's Business Agents or other appropriate non-employee Union representative be permitted to represent the grievant, or the involved Department or Agency may move the matter to the next higher step for hearing. Such request shall not be unreasonably denied. It is understood that the Union will make every effort to appoint appropriate stewards in each grievance district and the above privilege will not be abused by the Union.

d. Step Three and Arbitration

The appropriate representative at Steps Three and Arbitration shall be the recognized Union Steward or another recognized Union Officer who is an employee within the grievance district or districts encompassed by the institution or facility and/or an appropriate Union Official who is not an employee of the State.

2. a. Departments or Agencies having employees not encompassed within grievance districts by the terms of K.l.a. above, shall meet with the Union to establish mutually agreed upon grievance districts consistent with the operational needs of the Department or Agency and with the Union's representational responsibilities. This may be accomplished by adding groupings of employees to grievance districts with the same Department or Agency established under section K.l.a. above, and/or by establishing mutually agreed upon separate grievance districts, within Departments or Agencies, encompassing ten (10) or more employees.

b. Where appropriate, mutually agreed upon grievance areas within Department or Agencies encompassing five (5) or more grievance districts, may be separately established pursuant to subparagraph a. above.

c. Step One

The appropriate representative at Step One shall be the recognized Union Steward, who shall be an employee within the grievance district.

d. Step Two

The appropriate representative at Step Two shall be the recognized Union Steward or another recognized Union Officer who is an employee within the grievance district or any established grievance area encompassing the involved grievance district.

e. Step Three and Arbitration

The appropriate representative at Step Three and Arbitration shall be the recognized Union Steward or another recognized Union Officer who is an employee within the grievance district or any established grievance area encompassing the involved grievance district and/or an appropriate Union Official who is not an employee of the State.

3. The Union may designate an alternate Union Steward from within a grievance district, to serve where the Union Steward is unavailable, except that in any grievance district encompassing fifty (50) or more employees the Union must designate an alternate Union Steward. Further, where the Union plans to designate representatives other than Union Stewards to serve as Step One and Step Two representatives, the Union must also designate alternate representatives, under the same conditions as apply to such other representatives, to serve when such other representatives are not available.

4. Where a Department or Agency cannot agree upon a grievance district plan, either the Department or Agency or the Union may bring the matter to the attention of the Office of Employee Relations, and the matter will then be discussed at that level.

5. Grievance district plans shall be reviewed periodically and revised where necessary.

6. Within thirty (30) days of the execution of this Contract, each Department or Agency shall supply the Union with a geographic breakdown of the number of unit employees at each work location.

ARTICLE 8

DISCIPLINE

A. The terms of this Article shall apply to permanent career service employees and probationary employees disciplined during their working test period. Unclassified and provisional employees shall only be covered where such is specifically provided.

B. Discipline of an employee shall be imposed only for just cause. Discipline under this Article means official written reprimand, fine, suspension without pay, record suspensions, reduction in grade or dismissal from service, based upon the personal conduct or performance of the involved employee. Dismissal from service or reduction in grade based upon a layoff or other operational judgment of the State shall not be construed to be discipline. Suspensions may take the form of a suspension without pay, record suspension, or a combination of a suspension without pay or a record suspension. A record suspension is defined pursuant to N.J.A.C. 4A:1-1.3 and 4A:2-2.4(e). Record Suspensions will have the same weight as a suspension without pay for purposes of progressive discipline.

C. Just cause for discipline up to and including dismissal from service shall include those causes set forth in N.J.A.C. 4A:2-2.3. This list of causes set forth in N.J.A.C. 4A:2-2.3 is not exclusive and discipline up to and including dismissal from service may be made for any other combination of circumstances amounting to just cause.

D. The burden of proof in disciplinary procedures shall be upon the State, except as otherwise provided.

E. Where an appointing authority or his designee imposes or intends to impose discipline pursuant to paragraph C. above, written notice of such discipline shall be given to the employee. Such notice shall contain a specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline.

F. 1. The name of any employee who is notified of suspension or dismissal pursuant to paragraph E. above shall be transmitted to the Union as soon as is feasible and not to exceed seventy-two (72) hours after such notice. The notice shall specify the imposed or anticipated penalty.

2. The Union shall be notified within seventy-two (72) hours of notification to the employee that he has been dismissed at the end of the working test period.

G. Departmental Hearing Procedures for Permanent Career Service Employees and Probationary Employees Disciplined During Their Working Test Period

1. Any appeal relating to the involved disciplinary matter must be filed by the employee within fourteen (14) calendar days of notice of discipline to the employee involved. The Department or Agency Head, or his designee, will convene a hearing within twenty (20) calendar

days after receipt of such disciplinary appeal. The designee of the Department or Agency Head shall not be an individual who was personally involved in the facts of the dispute. The Department or Agency Head, or his designee, shall render a written decision within twenty (20) calendar days from the date of such hearing. The employee may be represented at such hearing by the appropriate Union representative who is an employee and/or a non-employee Union representative consistent with the representation provisions for Step Three in K.1.d. of Article 7, Grievance Procedure. Witness rights and procedural hearing requirements shall be as set forth in Article 7.

2. The decision rendered at the departmental hearing shall be final as to official written reprimands.

3. Management and the Union are encouraged to resolve disputes over the proposed disciplinary action at the meeting/hearing. A disciplinary dispute may be settled by a "record" suspension, with no loss in pay, at any stage of the disciplinary review process. Such "record" suspensions will have the same weight as a suspension without pay for purposes of progressive discipline. A "record" suspension must be agreed to by the Union and the employee, and may not be recommended or imposed by way of a Preliminary Notice of Discipline.

H. Probationary Employees Disciplined During Their Working Test Period and Permanent Career Service Employees' Appeal Procedures Beyond the Departmental Hearing for Major Discipline

1. Major disciplinary penalties may be appealed to the Merit System Board, pursuant to Merit System Board Rules. Such appeal must be received by the Merit System Board within twenty (20) days after the date of receipt of the decision rendered in paragraph G. The Merit System Law and the Rules and Regulations promulgated thereunder shall govern the disposition of such a request or petition.

2. Major disciplinary penalties are as follows:

- a. Suspension or fine of more than five (5) days at one time;
- b. Suspension or fine for five (5) working days or less where the aggregate number of days suspended or fined in any one calendar year is fifteen (15) working days or more. The last suspension or fine where an employee receives more than three (3) suspensions or fines of five (5) working days or less in a calendar year;
- c. Demotion;
- d. Discharge.

I. Permanent Career Service Appeal Procedures Beyond the Departmental Hearing for Suspensions of One Through Five Days

1. There is hereby established a Joint Union/Management Panel consisting of two (2) individuals selected by the State and two (2) individuals selected by the Union and a third party neutral mutually selected by the parties. The purpose of this panel is to review appeals from Departmental determinations upholding disciplinary suspensions of one (1) through five (5) days. All panel neutrals must agree, in advance as a condition for being selected for inclusion on a panel, to accept a fee of no more than \$1,000 per day, and to impose a fee of no more than \$500 for a cancellation by either party without good cause.

2. In order for a disciplinary appeal to be considered by the panel, the involved employee must be a permanent career service employee, except as otherwise provided under paragraph K. below. The involved employee must file a written notice of appeal with the Department or Agency Head or designee who issued the decision upholding the disciplinary action. Such notice must be filed within ten (10) days of the issuance of such decision. The Department or Agency Head or designee will promptly forward a copy of such notice to the Office of Employee Relations and the Union, together with a copy of the decision and any other documents that have been made a part of the record of the matter.

3. Within ten (10) days of receipt of the Notice of Appeal, the Union President or Union's Business Agent shall notify the Governor's Office of Employee Relations in writing, whether it wishes to have such matter reviewed by the panel.

4. The panel shall meet once each month providing that there are at least ten (10) matters to be considered. If in any month there is no meeting because there are fewer than ten (10) cases on the agenda, there will be a meeting the following month if there are any cases to be heard. The parties may mutually agree to schedule additional meetings if necessary. The agenda of each monthly meeting shall consist of all matters as to which the Union has requested panel considerations provided that the request is received at least seven (7) calendar days prior to the scheduled date of the panel meeting.

5. The panel considerations shall be based upon the Department or Agency Head or designee's decision and any documents that have been made a part of the record of the matter before such Department or Agency Head or designee. The State and Union panel members shall discuss each matter on the agenda and with the assistance of the neutral panel member, attempt to jointly resolve the appeal. Where the State and Union panel members agree, the appeal shall be dismissed or upheld, or the involved penalty may be reduced. Where the State and Union panel members do not agree as to the disposition of the appeal, the neutral panel member will determine whether the matter raises issues which may warrant submission to arbitration. In the event the neutral determines that the matter does not raise issues which may warrant submission to arbitration, such determination shall be final and the matter closed.

6. The neutral shall maintain a written record of the disposition of each matter which shall be signed by each panel member. Unless mutually agreed to the contrary, the written disposition of each matter shall be made at the panel meeting at which it is considered, and a copy shall be provided to each panel member.

7. In the event the neutral determines that a case raises issues which may warrant submission to arbitration, the Union may elect to appeal to disciplinary arbitration as provided herein. The neutral panel member may not serve as the arbitrator for any matter which has been submitted to the panel.

8. The fees of the neutral panel member will be shared equally by the parties.

9. Only minor disciplinary cases determined by the neutral panel member to warrant submission to arbitration, may be appealed to arbitration.

J. Arbitration

1. An appeal of a minor discipline to disciplinary arbitration may be brought only by the Union through the President, Business Agent or Attorney, by mailing a written request for disciplinary arbitration to the Director of the Governor's Office of Employee Relations, which must be postmarked within eighteen (18) calendar days from the receipt of the decision rendered in section I.6. above. A request for disciplinary arbitration shall contain the name of the Department or Agency and the employee involved, a copy of the original grievance, the notice of discipline and any written decisions rendered concerning the matter.

2. a. The only matters that may be arbitrated are cases properly appealed from the minor disciplinary panel. The sole determination to be made by the arbitrator shall be the guilt or innocence of the employee and he shall, therefore, sustain the penalty imposed or vacate it by his opinion and award, however, the arbitration decision rendered shall be complete. He shall neither add to, subtract from, nor modify any of the provisions of this Contract by any award.

b. The arbitrator's opinion shall contain a short statement of the nature of the proceedings, the positions of the parties and specific findings and conclusions based on the facts. In addition, the arbitrator's opinion shall discuss any of the testimony, evidence or position of the parties which merit special analysis or explanation.

3. The fees and expenses of the arbitrator and the recording of the procedure shall be divided equally between the parties. The parties may agree to make a verbatim record through a

certified transcriber, with the attendance fee of the court reporter shared between the parties. Absent agreement, either party may request a verbatim record through a certified transcriber, with the attendance fee of the court reporter to be paid by the requesting party. In either case, each party will bear the cost of any transcript it orders. In the event the arbitrator requests a transcript, the cost of the transcript, including any attendance fee, shall be shared equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

4. Should the arbitrator decide to vacate the penalty, the award of back pay for the period of suspension shall be for hours he would have worked in his normally scheduled work week, at his normal rate of pay, but not exceeding thirty-five (35), thirty-seven and one-half (37.5), or forty (40) hours per week or seven (7), seven and one-half (7.5), or eight (8) hours per day, as the case may be, less any deductions required by law or other offsetting income.

5. Within thirty (30) days of the execution of the Contract, the parties shall mutually agree upon a panel of not less than five (5) disciplinary arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected on a case by case basis under the selection procedure of the Public Employment Relations Commission, until such time as the parties agree upon a panel. The disciplinary arbitrator shall hold a hearing at a place convenient to the parties as soon as possible after the request for arbitration but not later than thirty (30) days after the arbitrator accepts the case. The arbitrator shall issue his decision within thirty (30) days after the close of the hearing.

K. Unclassified and Provisional Employees Discipline Procedures

1. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional employees who have been employed in such capacity for a minimum of six (6) months. Upon request of the employee, the employee may be represented by the Steward, or a non-State employee representative of the Union consistent with the representation provisions of this Article through the departmental hearing level.

2. In all disciplinary matters except dismissal from service such employees shall be entitled to utilize the provision of this Article through the Departmental hearing level. Suspensions of one through five days may be appealed to the minor panel pursuant to section I.

3. In the event an unclassified or provisional employee is dismissed from State employment without receiving specific written reasons and such dismissal is not related to fiscal problems or programmatic changes and in the judgment of the State such dismissal is not of a nature whereby the employee must be immediately removed from the work location, the State shall provide the employee with at least ten (10) calendar days notice in advance of the dismissal.

Unless there are exceptional circumstances, when such employees are dismissed from State employment due to misconduct, management shall serve the employee with the specific written reasons relating to the misconduct. The employee may request and shall be granted a hearing by the department or agency head or his designee, whose decision shall be final. Time limits shall apply as provided in this Article. The burden of proof for unclassified employees shall be on the employee.

4. It is understood that nothing herein shall be construed as limiting the State from exercising its inherent discretion to terminate employees who serve at the pleasure of the Department or Agency head, (i.e., unclassified employees) without stating the reasons therefore. Dismissal related to job performance shall not fall within the purview of this Article. Grievances concerning the interpretation of this Article shall be processed as non-contractual Article 7, A.2. grievances.

5. a. In no event shall the provisions of this Article apply where the employee is being removed as a result of the certification of a Merit System Board eligible list.

b. Nothing in this Article shall be construed as a waiver of any rights any employee may have under any Statute or Merit System Board regulation.

6. Unclassified employees not covered by a statutory disciplinary procedure, who have served in unclassified titles for a minimum of four (4) consecutive years, may appeal a Departmental level decision involving major discipline, for just cause, as defined under sections H.2.a. through d. of this Article, to the Governor's Office of Employee Relations.

7. An appeal to the Governor's Office of Employee Relations may be brought by the employee through the Union by mailing a written request for review of the Departmental decision to the Governor's Office of Employee Relations by certified or registered mail. Such request for review must be postmarked within fifteen (15) calendar days from receipt of the decision rendered by the Department. The request shall contain the name of the Department or Agency and the employee involved, a copy of the original appeal, the notice of discipline and the written decision rendered.

8. The Governor's Office of Employee Relations will meet with the Union to review the record of the discipline within thirty (30) days of receipt of the appeal from the Union. If the discipline appeal is not resolved at that meeting it shall be so noted in writing. The Union may elect to appeal the discipline to binding arbitration. The appeal shall be sent to the Governor's Office of Employee Relations (by registered or certified mail) and postmarked within eighteen (18) calendar days from the GOER/Union written determination.

9. The arbitrators hearing these appeals shall come from the panel selected to hear minor discipline appeals from the Joint Union Management Panel. The arbitrator shall hold a hearing at a place convenient to the parties as soon as possible after the request for arbitration but not later than thirty (30) days after the arbitrator accepts the case.

10. The arbitrators shall confine themselves to determinations of guilt or innocence and the appropriateness of penalties and shall neither add to, subtract from, nor modify any of the provisions of this Agreement by any award. The arbitrator's decision with respect to guilt, innocence or penalty shall be final and binding upon the parties. In the event the arbitrator finds the employee guilty, the arbitrator may approve the penalty sought or imposed, or modify such penalty as appropriate to the circumstances, in accord with discipline as set forth in paragraph B. of this Article. Removal from service shall not be substituted for a lesser penalty. In the event the arbitrator finds the employee innocent or modifies a penalty, he may order reinstatement with back pay for all or part of a period of an imposed suspension or reduction in grade or period that the employee was dismissed from service in determining the penalty to be imposed.

11. Should the arbitrator's award provide for reinstatement with back pay for all or part of a period of suspension, termination of service or reduction in grade, the employee may be paid for the hours he would have worked in his normally scheduled workweek at his normal rate of pay but not exceeding forty (40) hours per week or eight (8) hours per day, less any deductions required by law or other offsetting income for the back pay period specified by the arbitrator.

12. The arbitrator's decision shall contain a short statement of the nature of the proceedings, the positions of the parties and specific findings and conclusions on the facts. In addition, the arbitrator's decision shall discuss any of the testimony, evidence or positions of the parties which merit special analysis or explanation. The arbitrator shall not substitute a more severe penalty than has been imposed by the State.

13. The fees and expenses of the arbitrator shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

L. General Provisions

1. In the event a formal charge of misconduct is made by the State against an employee and, if he so requests, he shall be entitled to a representative of the Union only as a witness or as an advisor during any subsequent interrogation of the employee concerning such charge. No recording of such procedure shall be made without notification to the employee and there shall

be no presumption of guilt. The employee and/or the Union, if present, may request and receive a copy of such recording. Where an employee is interrogated during the course of an investigation and when there is reasonable likelihood that the individual being questioned may have formal charges preferred against him, the nature of those contemplated charges shall be made known to the employee who shall then, if he so requests, be entitled to a representative of the Union, only as a witness or as an advisor, during subsequent interrogation concerning the charge provided that the interrogation process shall not be delayed and/or the requirement to expedite any official duty not be impaired.

2. A permanent career service employee must be served with a Preliminary Notice of Disciplinary Action setting forth the charges and afforded the opportunity for a hearing prior to imposition of major discipline, except:

a. An employee may be suspended immediately and prior to a hearing where it is determined that the employee is unfit for duty or is a hazard to any person if permitted to remain on the job, or the immediate suspension is necessary to maintain the health, safety, order or effective direction of public services.

b. An employee may be suspended immediately when the employee is formally charged with a crime of the first, second or third degree or a crime of the fourth degree on the job or directly related to the job.

c. Where a suspension is immediate under section 2.a. or 2.b. of this paragraph, and is without pay, the employee must first be apprised either orally or in writing, of why an immediate suspension is sought, the charges and general evidence in support of the charges and provided with sufficient opportunity to review the charges and the evidence in order to respond to the charges before a representative of the appointing authority. The employee may be represented by an authorized union representative. The response may be oral or, in writing, at the discretion of the appointing authority.

3. a. Nothing in this Article of the Contract shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any appeal proceeding. Where a fine is imposed as a disciplinary measure and the matter is appealed within the disciplinary procedure provided in this Contract and where the fine is \$100 or more, the enforcement of the fine will be withheld upon request of the employee being fined pending hearings and final disposition of the appeal as provided herein, provided the grievant continues in his employment with the State.

b. Notwithstanding the time limits set forth above, where a suspension or discharge disciplinary action is implemented prior to Departmental or Agency hearing, every effort will be made to hold the hearing and issue a decision within ten (10) calendar days of the filing of the appeal (excluding holidays and weekends) provided that the involved employee files the appeal within five (5) calendar days of notice of discipline (excluding holidays and weekends).

4. Where the implemented penalty involves a suspension of not more than five (5) days and the expedited hearing and decision provisions of section 3.b. above of this paragraph are not met, then the employee's salary shall be paid as if the suspension had not been implemented until such time as the matter is finally resolved. If the final resolution upholds the discipline, the salary for the days on which the employee was suspended will be deducted from his current salary at the rate which was in effect at the time of the suspension. This provision shall not apply where any delay in the Departmental hearing is contributed to by the Union or the grievant.

5. Where criminal charges are initiated, the right of the employee to representation by his attorney shall not be violated.

6. An employee shall not be disciplined for acts which occurred more than one (1) year prior to the service of the Preliminary Notice of Discipline, except for those acts which would constitute a crime. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed.

7. When any permanent employee files an appeal of a preliminary written notice of removal for disciplinary reasons and when the appropriate Union representative designated to handle the case requests time off to investigate such action in order to achieve an understanding of the specific work problem the appropriate Union representative will be granted permission and reasonable time, to a limit of two (2) hours to investigate without loss of pay. It is understood that the supervisor shall schedule such time release providing the work responsibilities of the appropriate Union representative and of any involved employee are adequately covered and providing further that there is no disruption of work. Such time release shall not be unreasonably withheld and upon request may be extended beyond the two (2) hour limit for specified reasons, if in the judgment of the supervisor, the circumstances warrant an exception to this limit. Where a Union Steward serves a mutually agreed upon grievance district encompassing two (2) or more geographically separate work locations and where the circumstances require it, a supervisor may authorize a maximum of four (4) hours for any appropriate investigation.

Such time release shall not be construed to include preparation of paperwork, record keeping, conferences among Union officials nor preparation for presentation at a disciplinary hearing.

8. The State, upon request, will make available to the Union relevant documents in its possession necessary to the processing of grievances through arbitration. Management shall provide the requested documents within seven (7) calendar days from receipt of the request. In the event additional documents are thereafter discovered, its use shall not be precluded so long as the documents are disclosed not later than three (3) days prior to the arbitration hearing. ARTICLE 9

SENIORITY

A. Permanent Employees

1. Employees shall be considered to have State seniority upon successful completion of the probationary period (working test period) for any permanent position, effective on the first day worked following such successful completion but computed from the date of initial hire. Such State seniority is accumulable unless there is or has been a break in service as set forth below or during such time an employee serves a disciplinary suspension.

2. Employees shall be considered to have job classification seniority upon successful completion of the probationary period (working test period) for the job classification effective on the first day worked following such successful completion but computed from the date of initial hire or promotion to the particular job classification. Such classification seniority is accumulable unless there is or has been a break in services as set forth below or during such time an employee serves a disciplinary suspension.

3. A break in continuous service occurs when an employee resigns, is discharged for cause, retires or is laid off; however, employee State and job classification seniority accrued prior to layoff shall be continued upon recall and reemployment, and the provisions of Article 38 shall apply.

4. In the case where an employee is promoted but does not successfully complete the probationary period (working test period), he may be returned to his previous job classification in his most recent location or his then current location if practicable, without loss of job classification or State seniority.

5. The State agrees to supply current seniority lists to the Union on a semiannual basis.

6. This Article shall not apply to the computation or application of seniority in determination of individual rights administered by the Civil Service Commission, such as layoff and promotional rights. In such circumstances seniority determinations and applications shall be determined by the Civil Service Commission. The terms and conditions of seniority pertaining to layoff and promotions are fully set forth in statutes and in the Merit System Board Regulations and are intended to be observed in the administration of this Contract. The provisions above are not intended to vary the application of the seniority provisions under rule or law as they pertain to layoff and promotional matters.

B. Provisional and Probationary Employees

1. Provisional and probationary employees (serving working test period), who have accrued State seniority under paragraph A. of this Article, shall continue to be considered to have the State seniority accumulated and shall continue to accumulate such seniority as long as such permanent status is maintained, subject to any break in service.

2. Except as provided in B.1. above, provisional and probationary employees (serving working test period) shall be considered to be without seniority. The absence of seniority shall not be construed to diminish the assignability of any employees to overtime or emergency work.

C. This Article shall not apply to employees in the unclassified service.

ARTICLE 10

HOURS OF WORK

A. The work week for each job classification within the unit shall be consistent with its designation in the State Compensation Plan.

B. 1. All employees shall be scheduled to work on a regular shift as determined by the appointing authority which work shift shall have stated starting and quitting times. The specific work shifts shall be posted within the work unit.

2. When schedule changes are made, the maximum possible notice shall be given and the employee's convenience shall be given consideration.

C. An employee whose shift is changed shall be given adequate advance notice which normally will be at least two (2) weeks and which shall not be less than one (1) week, except in the case of an emergency. Should such advance notice not be given, an employee affected shall not be deprived of the opportunity to work the regularly scheduled work week.

D. 1. Work schedules shall provide for a fifteen (15) minute rest period during each one-half shift (except for employees of the Motor Vehicle Division within the Inspection and Security Unit where the present practice and procedure concerning work breaks will be observed).

2. Employees who are required to work beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period when the period of work beyond their regular shift exceeds two (2) hours.

E. When an employee is called to work outside his regularly scheduled shift, he shall be compensated for the actual hours worked. He shall be guaranteed a minimum of two (2) hours compensation whether or not the two (2) hours are worked, except when the end of the call-in period coincides with the beginning of his regular shift.

F. The time sheet of an employee will be made available for inspection at his request.

G. Employees who are designated as "NL" may be treated as exceptions to the provisions of B.1. and E. above.

H. If there are any changes in the core hours of the department, the department shall notify the Union as well as the Civil Service Commission before any action is taken.

ARTICLE 11

COMPENSATORY TIME BALANCES

A. When employees accumulate compensatory time balances, the appointing authority will provide administrative procedures to assure the employee that such compensatory time balances will not be taken away, but will be scheduled as time off or alternatively paid in cash.

B. Where operational needs permit, employee requests for use of compensatory time balances shall be honored. Priorities in honoring requests for use of compensatory time balances will be given to employees:

1. Where an emergency exists
2. Where scheduled one (1) month in advance
3. Where shorter notice of request is made

C. Employees are required to give reasonable advance notice of their desire to use compensatory time off.

D. Ordinarily, a maximum of sixty (60) hours of compensatory time may be carried by an employee. Where the balance exceeds sixty (60) hours, the employee and the supervisor shall meet to amicably schedule such compensatory time off.

E. An employee may be required to schedule compensatory time off in keeping with the needs of the work unit or department. Such a request will not be made in an arbitrary fashion.

ARTICLE 12

OVERTIME

A. 1. Employees covered by this Contract will be compensated at the rate of time and one-half for overtime hours accrued in excess of the normal hours of the established work week. These compensation credits shall be taken in compensatory time or in cash.

2. When a work shift extends from one (1) day to the next it is considered to be on the day in which the larger portion of the hours are scheduled and all hours of the scheduled shift are considered to be on that day.

3. All holiday hours not worked for which an employee is compensated shall be regarded as hours worked for the computation of overtime in the work week.

4. Hours worked on a holiday are not considered hours worked for the computation of regular overtime in the work week but shall be compensated at time and one-half in addition to the holiday credit.

5. "Scheduled overtime" means overtime assigned prior to the day on which it is to be worked. Ordinarily scheduled overtime is planned and assigned in advance.

6. "Non-scheduled overtime" means assigned overtime made on the day on which it is to be worked.

7. "Incidental overtime" is a period of assigned non-scheduled overtime worked of less than fifteen (15) minutes.

8. Those employees who have pre-authorization for sick-time (doctor's appointment, physical therapy, etc.) and are capable of performing the job duties of the overtime, shall not be restricted from working overtime because of the scheduled sick-time use. In order to be eligible under the provision, the employee must affirmatively inform their supervisor in advance that they are available for overtime.

9. When an employee is required to work hours outside of the employee's normal work day or workweek, the State will not avoid paying overtime by changing the employee's hours of work within the work day or workweek that such hours were worked. This provision shall not impair the State's rights under Article 10. The arbitration in the matter of State of New Jersey,

DEP and CWA, Local 1037, OER No. 9901, shall not be used to interpret the language of this subsection.

B. 1. Overtime shall be scheduled and distributed by seniority on a rotational basis by occupational classifications within each functional work unit without discrimination provided it does not impair operations. Employees within their functional work unit who are qualified and capable of performing the work without additional training shall be called upon to perform such overtime work. To the extent that it is practical and reasonable to foresee, the State shall give the employee as much advance notice as possible relative to the scheduling of overtime work.

2. A list showing the rotational order and the overtime call status of each employee and a record of the total overtime worked and refused by each employee shall be maintained in the work unit. Such records shall be made available for inspection on request to Union Officers, Stewards and employees concerned.

3. The State will give advance notice of all scheduled overtime to each employee concerned. Such scheduled overtime will be assigned minimally in units of one (1) hour and in hourly or half-hourly increments thereafter when such overtime is to be performed contiguous to the employee's scheduled work shift. When overtime is scheduled not contiguous to the employee's work shift, it will be assigned minimally in units of two (2) hours and in hourly or half-hourly increments thereafter.

4. An employee who is assigned non-scheduled overtime in excess of fifteen (15) minutes will be guaranteed a minimum of one (1) hour's work and will be assigned overtime thereafter in one-half (1/2) hour increments. An employee who is called in for non-scheduled overtime shall be guaranteed a minimum of two (2) hours work except when the end of the call-in period coincides with the beginning of his regularly scheduled shift.

5. Where incidental overtime assignments are made, records of such time worked shall be kept and may be scheduled as compensatory time on an hour-for-hour basis unless the total time worked in the pay week in which they occur requires compensation at time and one-half in accordance with the Fair Labor Standards Act.

C. It is understood that each employee is expected to be available for a reasonable amount of overtime work. The existence of an emergency situation as defined by Article 14 shall be considered in determining the reasonableness of the amount of overtime work. An employee who refuses an overtime assignment because of a reasonable excuse shall be considered to have worked for the purpose of determining equal distribution of overtime and will not be subjected to disciplinary action. Once an employee is scheduled and accepts an overtime assignment, he shall be subject to all State or Department rules and regulations and the appropriate provisions of this Agreement.

D. 1. On a semi-annual basis commencing with the implementation of this provision, the distribution of overtime shall be evaluated and assignments of overtime made thereafter reflect the approximate equalization of overtime for each employee in the work unit by job classification.

2. For the purpose of determining approximate equalization of overtime, any assignment offered, whether or not worked, will be considered as if it were worked.

3. To the extent that a disproportionate distribution of overtime exists because of special ability or inability to perform the work assignments, those hours will not be considered in the semi-annual equalization. This provision will not be abused.

E. 1. The provisions above concerning overtime do not apply to employees designated as "NL" or "N4".

2. Hours of work for "NL" employees may be adjusted by the responsible agency official in keeping with existing regulations and procedures.

F. Departments which have an ongoing operational need, on a regular basis, to assign employees' schedules which do not provide for five (5) consecutive workdays, will at the request of the Union, discuss such general scheduling needs with the Union.

ARTICLE 13

EQUALIZATION OF EMERGENCY OVERTIME FOR SNOW AND ICE CONTROL

A. The opportunity to work emergency overtime for snow and ice control shall be extended to each employee eligible for such assignment on a rotational basis provided the employee is capable of performing the work. Such work shall be shared by all employees involved in the performance of this work without discrimination. Each employee is expected to be available for such emergency overtime work. An employee who refuses an assignment with a reasonable excuse will not be subject to disciplinary action; however, this provision may not be abused.

B. The distribution of such emergency overtime assignments shall reflect the approximate equalization of overtime for each employee in the work unit. For the purpose of determining approximate equalization of such emergency overtime, any assignment offered, whether or not worked, will be considered as if it were worked.

C. To the extent that a disproportionate distribution of hours exists because of special ability or inability to perform the work assignments, those hours will not be considered in the equalization. This provision will not be abused.

D. An employee who is scheduled and reports for an emergency work assignment is subject to all applicable State rules and regulations. During emergency work assignments each employee shall be covered by the Sick Leave Injury Program provided by the State and entitled to any appropriate benefits under that program.

E. Employees eligible for special emergency rates will receive either the special emergency rate or the employees' regular overtime rate when entitled to overtime under the Fair Labor Standards Act, whichever is greater.

ARTICLE 14

EMERGENCY WORK

A. Unit employees (except those employed in the Department of Transportation where the current approved program will continue) shall be eligible for the special emergency rates or the employee's regular overtime rate when entitled to overtime under the Fair Labor Standards Act, whichever is greater, if called in to work under the following special circumstances:

1. Employees in the unit must be called in outside of scheduled work shifts; and
2. The work involved must be for emergency maintenance, replacement or repair of equipment or mechanical devices which are vital to the operation of an institution, agency or other function of the State; and
3. Such work must be necessitated by damage or failure resulting from storm, flood, explosion, sudden unexpected catastrophe or like causes; and
4. Such conditions must constitute unreasonable safety hazard to the public, employees or other persons or property of the State.

B. It is clearly understood that all of the foregoing elements or criteria must be met except as provided in paragraph G. below for an employee to be entitled to payment at the emergency rate. The following special project pay rates shall apply:

1. Employees who are engaged in manual or unskilled work as by use of shovels, picks, axes, choppers, etc., will be paid Group VI Emergency Rate (Code 6).
2. Employees who perform semi-skilled work including the operation of mechanized equipment such as trucks, plows, light-graders, backhoes, etc., will be paid Group V Emergency Rate (Code 5).

3. Employees who perform skilled work including the operation of heavy equipment or those employees who are assigned to be in charge of or supervise either semi-skilled or unskilled workers or both, will be paid Group IV Emergency Rate (Code 4).

4. Employees who perform emergency work in excess of the normal work hours related to winter weather conditions, such as snow removal and ice control will be paid Codes D and E. Code Rate D is for employees who operate heavy duty equipment, such as truck/front end loader mounted snow blowers; perform mechanical repair work; supervise the distribution of inventory parts for emergency operations; perform skilled labor involved in the repair of equipment; or act as Department representative assigned to snow removal activities. 5. The State, IFPTE, Department of Transportation and the Civil Service Commission agree to form a committee to review the classification of equipment for snow removal and ice control set forth in Codes D and E to ensure that such codes accurately reflect the equipment utilized for such purposes.

C. The requirement of each employee to respond, if called when such emergency conditions are present, constitutes a condition of State employment. An employee who refuses an assignment because of a reasonable excuse will not be subjected to disciplinary action. However, any absence or repeated absence or refusal to respond without good and sufficient reason, may be cause for such action.

D. When an employee is called in and reports for an emergency work assignment, he shall be paid for all hours actually worked outside his normal scheduled work shift and shall be entitled to a minimum of two (2) hours pay at the appropriate rate, whether or not such two (2) hours are actually worked, providing the employee remains available for any work assigned. No emergency hours compensated at special project rates, which are agreed to be equivalent to premium rates, shall be counted as hours worked for the purpose of computing normal overtime.

E. Lists showing the rotational order of each employee and the total hours worked and refused by each employee shall be maintained in the work unit. Such lists shall be made available for inspection on request to Union Officers.

F. An emergency overtime assignment is subject to all appropriate rules and regulations of the State and the Department.

G. In exception to the requirements that employees be called in outside of regular work shifts, employees assigned to Snow and Ice Control Emergency Overtime will receive the appropriate special project rate or the employees regular overtime rate when entitled to overtime under the Fair Labor Standards Act, whichever is greater, after the end of the employee's regular work shift and during the time prior to the next regular work shift.

H. When an employee of the New Jersey Water Supply Authority in the Operations, Maintenance and Services and Crafts and Inspection and Security Units is called out for emergency work under this Article of the contract, he shall be paid portal to portal travel time for the actual time required, but not to exceed a maximum of forty (40) minutes in each direction except when the emergency work conditions is contiguous with the assigned work shift. 1. A system of position classifications with appropriate position descriptions.
2. A salary range with specific minimum and maximum rates and intermediate incremental steps therein for each position.
3. The authority, method and procedures to effect modification as such are required. However, if the State makes major changes in the Compensation Plan or changes which have a negative effect on the earnings of employees, it is understood that the impact of these changes will be negotiated with the Union and such negotiations shall commence within thirty (30) days of the date upon which the Union requests negotiations of the matter.

B. Salary, Special Payment and Fringe Benefit Program

It is agreed that during the term of this Contract, July 1, 2011 - June 30, 2015, the following salary and fringe benefit improvements shall be provided to eligible employees in the unit within the applicable policies and practices of the State and in keeping with the conditions set forth herein. Subject to the appropriation and allocation of full funding for these specific purposes, the State agrees to provide the following benefits effective at the time stated here or, if later, within a reasonable time after enactment of the appropriation. In the event the full funding for the specific purposes set forth below is not allocated and appropriated, the State shall have no obligation to provide said benefits, and payments for any such benefits shall be at the sole discretion of the State. In the event the State provides any of the benefits set forth below in any fiscal year when full funding has not been appropriated, such provision shall not be construed or interpreted to indicate the State has waived its right to withhold payment in the future if full funding is not appropriated.

1. a. Effective the first full pay period after July 1, 2011, the base salary of each employee covered by this Agreement shall not change, and such base salary shall remain in effect until June 30, 2013.

b. Effective the first full pay period after July 1, 2013, each employee covered by this Agreement shall be entitled to a one (1%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll as of the first full pay period after July 1, 2013, who earn less than \$39,900 in base salary as of the day before that date, shall receive a cash bonus not included in base salary of the differential of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$39,900. This bonus shall be paid on or about July 31, 2013. Example: employee with a base salary of \$25,000 as of the first full pay period after July 1, 2013 receives a one (1%) percent across-the-board or a \$250.00 increase to base salary. Employee receives a \$149.00 bonus. (1% of \$39,900 = \$399.00 - \$250 = \$149.00).

c. Effective the first full pay period after July 1, 2014, each employee covered by this agreement shall be entitled to a one and three-quarters (1.75%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll as of the first full pay period after July 1, 2014, who earn less than \$39,900 in base salary as of the day before that date, shall receive a cash bonus not included in base salary of the differential of the amount of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$39,900. This bonus shall be paid on or about July 31, 2014. Example: employee with a base salary of \$25,000 as of the first full pay period after July 1, 2013 receives a one (1.75%) percent across-the-board or a \$437.50 increase to base salary. Employee receives a \$260.50 bonus. (1.75% of \$39,900 = \$698.00 - \$437.50 = \$260.50).

2. For ten (10) month employees, the foregoing increases that are effective in the first full pay period of July 2013 and July of 2014 for twelve (12) month employees, shall be applied to

the base salary of ten (10) month employees effective the first full pay period of September 2013 and September of 2014.

3. The State Compensation Plan salary schedule shall be adjusted in accordance with established procedures to incorporate the increases above for each step of each salary range. Each employee shall receive the increase by remaining at the step in the range occupied prior to the adjustments.

4. Normal increments shall be paid to all employees eligible for such increments within the policies of the State Compensation Plan during the term of this Contract. Employees who have been at the eighth step of the same range for 18 months or longer shall be eligible for movement to the ninth step providing their performance warrants this salary adjustment. Effective starting on or about July 1, 2011, employees who have been at the ninth step of the same range for 24 months or longer shall be eligible for movement to the tenth step providing their performance warrants this salary adjustment. Employees who are not eligible for increments during the period of July 1, 2011 through June 30, 2013, shall receive a cash bonus of \$450 on or about July 31, 2013, not included in base salary. v. A clothing maintenance allowance shall not be paid to any employee for whom the State provides a uniform, launders the uniform and provides replacement uniforms regardless of that employee's annual earnings or the criteria set forth in Paragraph (i)(a) above.

b. On or before 60 days after ratification, the Office of Employee Relations will provide a list to the Union of all full-time employees by department it believes are eligible for a clothing maintenance allowance under the criteria in Paragraph B(5)(a) above. Within thirty (30) days thereof, the Union may identify those employees not on said list who it contends are eligible for a clothing maintenance allowance. Within thirty (30) days of OER's receipt of any such list, the parties agree to meet in an effort to resolve any disputes. At the written request of the Union, any disputes not resolved between the parties will be submitted directly to binding arbitration before a single arbitrator selected by the parties. To the extent the parties cannot agree on an arbitrator to hear such disputes, an arbitrator will be selected pursuant to the selection procedures of the Public Employment Relations Commission.

c. Each full-time employee who is eligible for a clothing maintenance allowance under the criteria in Paragraph B(5)(a) above, and who has completed one (1) full year of service on or before July 1, 2011, or on or before July 1 of 2012, 2013 or 2014, shall receive a cash clothing maintenance allowance for each year of the contract of \$550. No clothing maintenance award will be paid after June 30, 2015.

d. Each full-time employee who will have completed six (6) months of service on or before July 1, 2011, or on or before July 1 of 2012, 2013 or 2014, shall receive a cash clothing

maintenance allowance for each year of the contract of \$275. No clothing maintenance award will be paid after June 30, 2015.

e. In each of the four years of the Contract, permanent part time employees in the unit who satisfy the eligibility requirements will receive a pro rata share of the clothing allowance payment based on their scheduled hours of work.

f. Intermittent employees who are in the Unit for the entire period of eligibility and who meet the other requirements will receive a pro rata share of the clothing allowance payment based upon their scheduled hours of work.

g. In order to be eligible to receive the clothing maintenance allowance the employee must be in pay status on the date of payment. When an employee returns to pay status, he or she shall receive payment.

h. The clothing maintenance allowance referred to above shall not constitute an addition to the base salary of the employees affected, nor shall it be construed to be a modification of the State Compensation Plan.

8. The current emergency rates, Groups 4, 5, 6, D and E, shall be adjusted by one (1%) percent on or about July 1, 2013. The emergency rates in effect on June 30, 2014 shall be adjusted by one and three-quarters (1.75%) percent on or about July 1, 2014.

9. Subject to the conditions set forth in this Article and Article 17, Personnel Practices, C.7, the tool allowance shall be paid on or about December 15 of each year to each employee who has completed a calendar year of employment. The maximum tool allowance for the duration of the contract shall be \$265.

10. The State agrees to include eligible employees in this unit in the State of New Jersey Temporary Disability Plan. This is a shared cost plan which provides payments to employees who are unable to work as the result of non-work connected illness or injury and who have exhausted their accumulated sick leave.

C. Deferred Compensation Plan

1. It is understood that the State shall continue the program which will permit eligible employees in this negotiating unit to voluntarily authorize deferral of a portion of their earned base salary so that the funds deferred can be placed in an Internal Revenue Service approved Federal Income Tax exempt investment plan.

2. The deferred income so invested and the interest or other income return on the investment are intended to be exempt from current Federal Income Taxation until the individual employee withdraws or otherwise receives such funds as provided in the plan.

3. It is understood that the State shall be solely responsible for the administration of the plan and the determination of policies, conditions and regulations governing its implementation and use.

4. The State shall provide literature describing the plan as well as a required enrollment or other forms to all employees when the plan has been established.

All funds for this program shall be disbursed proportionately directly to the outside agency that provides services under this program.

E. Cooperative Effort

The parties to the Contract understand that the public services provided to the citizenry of the State of New Jersey require a continuing cooperative effort particularly during this period of severe fiscal constraints. ARTICLE 16

ACCESS TO PERSONNEL FILE

A. With reasonable notice, and at a time convenient to management, an employee shall have the opportunity to review and examine pertinent documents such as those related to performance evaluation and conduct in his personnel history file or in any permanent supplementary personnel file. The State shall honor any reasonable request of such employee to review his file and for copies of documents in the file. The State shall have the right to have such review and examination take place in the presence of an appropriate official of the agency or department in question. The employee may file a written response of reasonable length to any memoranda or documents which are derogatory or adverse to him. Such response will be included in the relevant permanent personnel history file or permanent supplementary personnel file and will be attached to and retained with the document in question. If any material, derogatory or adverse to the employee is placed in the file in question, a copy of such material shall be sent to the employee.

B. No document of anonymous origin shall be used against any employee.

ARTICLE 17

PERSONNEL PRACTICES

A. 1. When an employee is to be adversely affected by an individual change of title or rate of compensation, he shall be notified of such change no later than one (1) week in advance of its implementation, provided, however, that the circumstances necessitating such change shall be foreseeable by the appointing agency prior to such one (1) week period.

2. An appointment from an open competitive list shall have a working test period of four (4) months unless extended to six (6) months by the appointing authority.

3. A permanent employee who has resigned may request placement on a reemployment list within three (3) years of the date of resignation.

B. 1. Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has a reasonable excuse and is less than fifteen (15) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and, except where there is evidence of repetition or neglect, he shall not be disciplined. A record of such lateness shall be maintained and may be charged against any compensatory time accrual.

When an employee is late for work due to dependent care problems, it is the position of the State that the employee and the Supervisor/Manager at the employee's work site, will meet to try to resolve the lateness problem. The employee will have the right to Union representation during the meeting. This meeting will be held prior to any disciplinary action being taken against the employee as a result of the lateness. However, once such a meeting is held, the State reserves its right to implement disciplinary action if the employee continues to come in late for work.

2. When an employee is summoned to appear as a witness before a court, legislative committee, or judicial or quasi-judicial body, unless the appearance is as a party to the litigation in a matter unrelated to his capacity as an employee, he shall be granted necessary time off without loss of pay if such appearance is during his scheduled work shift. Where his appearance is during a shift period immediately contiguous to his scheduled shift, he shall be granted compensatory time equal to the hours required for such duty.

C. In no case will this special leave be granted or credited for more than eight (8) hours in any day or forty (40) hours in any week.

D. The employee shall notify management immediately of his requirement for this leave, and subsequently furnish evidence that he performed the duty for which the leave was requested.

ARTICLE 32

SICK LEAVE

A. All classified employees covered by this Contract and eligible for sick leave with pay shall be entitled to the use of sick leave as provided herein. The State will comply with all requirements of the Federal Family Medical Leave Act (FMLA), as well as the New Jersey Family Leave Act (NJFLA), in administering this Article and will notify all employees covered by this Agreement of their rights under the FMLA and NJFLA. The prior sentence is for informational purposes only.

B. Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident or exposure to contagious disease. Sick leave may also be used for short periods because of death in the employee's immediate family or for the attendance of the employee upon a member of the immediate family who is seriously ill in accordance with the NJFLA and FMLA to the extent such leave is consistent with Civil Service Regulations.

C. 1. During the remainder of the calendar year in which an employee is first appointed, he will accumulate sick leave privileges as earned on the basis of one (1) day per month of service or major fraction thereof.

2. In each full calendar year thereafter, he shall be entitled to fifteen (15) days sick leave. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year and may be used on that basis and in accordance with established State policy. Such leave not utilized shall be accumulated.

D. 1. In all cases of illness, whether of short or long term, the employee is required to notify his superior of the reason for absence at the earliest possible time but in no event less than his usual reporting time, or other time as required. If the duration of absence is three (3) days or more, then it will be necessary to report on every third day thereafter unless other arrangements are made by the appropriate supervisor. Failure to report absences or abuse of sick leave privileges on the part of any employee may be cause for disciplinary action.

2. When it is known that sick leave will be required for more than ten (10) days, such leave must be requested by the employee in writing to his immediate supervisor. This request must be accompanied by a written and signed statement by a physician prescribing the sick leave and giving the reasons for the sick leave and the anticipated duration of the incapacity.

E. All sick leave is subject to approval by the appointing authority and, where appropriate, to approval by the Civil Service Commission. A physician's certificate or other acceptable medical evidence to verify the need for such sick leave may be required for such approval which will not be unreasonably withheld. When a medical diagnosis is required, that diagnosis shall be reviewed by a physician or a qualified medical practitioner if available at the work facility.

F. An employee may apply for use of sick leave for periods of less than his full work day for any appropriate and approved reason such as becoming ill while working during the assigned

shift or for the attendance of the employee upon a member of his/her immediate family who is seriously ill or in order to keep a medical appointment which could not be arranged during non-work time. The employee must charge such sick leave against his accumulated sick leave balance, or, if such employee has no sick leave balance, he may charge such time against other accrued paid leave time if available, or, alternatively leave without pay. Utilization of any sick leave for less than a full work day shall be on an hourly basis; one hour of sick leave charged for each hour, or portion thereof, excused from the work shift. For purposes of this clause only, seven (7) hours is equal to one (1) day of sick leave for employees serving in a No Limit (NL) category and eight (8) hours is equal to one (1) day of sick leave for those employees serving in a N4 category. Where an NL or N4 employee utilizes sick leave for a period of less than his established work schedule for the day, such employee shall be charged sick leave on a pro-rata basis in accordance with the work schedule established on the day of utilization.

G. 1. Subject to the provisions of N.J.S.A. 11A:6-16 and regulations promulgated thereunder, whenever a permanent employee enters retirement pursuant to the provisions of a State administered or approved retirement system and has to his credit any earned and unused accumulated sick leave he shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave.

2. The supplemental compensation payment to be paid shall be computed at the rate of one-half of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such supplemental compensation payment shall exceed \$15,000. This supplemental compensation shall be paid in a lump sum after the effective date of retirement or, as may be elected by the employee, deferred for one (1) year.

H. If an employee has been approved for sick leave but has no sick leave balance, he may substitute earned paid leave time if available or alternatively leave without pay. Additionally, with the approval of the appointing authority, use of vacation time accrued but not earned may be authorized in anticipation of continued employment.

I. This Article does not apply to employees in the unclassified service.

G. Privileges for Union Stewards and Union Officers

The State and the Union recognize that officers of Local 518 and 195 have in their relationship to their jobs a need for continuity in the assigned shift and grievance district which exceeds that of other fellow employees. It is agreed, therefore, that these local Union Officers and Stewards will not be routinely moved from one shift to another or from one grievance district to another.

2. The State and the Union recognize the need to utilize all personnel to meet operational requirements effectively and in conformity with the commitment in section G. 1. above; movement of such local Union Officers and Stewards shall occur only when necessary and appropriate. LAYOFF AND RECALL - CAREER SERVICE

A. In the event it is necessary to layoff employees the Union will be given notice of impending general layoff at once.

If prompt request is made, the layoff and procedures will be discussed with the Union and a list of titles affected will be provided. In addition, the Union will be provided with a list of the names of employees in the unit whose positions will be initially vacated or abolished, when such is available. It is recognized that the provisions set forth below are illustrative of portions of the layoff and recall rights established under Merit System Statutes and Regulations and that the overall system is administered by the Civil Service Commission.

B. Permanent employees within an organization unit will not be laid off before any emergency appointments, temporary appointments to temporary extra positions, provisional appointments to permanent positions or employees serving in working test periods, within the classification affected.

C. As required by the Civil Service Commission, the State will provide notice of layoff to any permanent employee to be affected.

D. Job classification seniority shall be a factor when identifying which permanent employees are to be laid off.

E. The State will try to avoid layoff by transferring, reassigning or offering to demote employees to available vacancies.

F. Permanent employees affected by layoff requirements may exercise bumping rights within their job classification, statewide within the Department in which they are employed, or to equated or lower rated job classifications as provided.

G. The name of the permanent employee who is laid off shall be placed on a special reemployment list and he will be given absolute preference over any other applicant for recall to the job classification in which he had been employed and to equated job classifications provided such employee is capable of the work. No new employee shall be hired until all such eligible employees on layoff status desiring to return to work shall have been recalled.

H. Permanent employees will be recalled to work in the reverse order in which they were laid off by the appointing authority, subject to the limitation that those permanent employees who were laid off first for reason of an unsatisfactory performance rating shall be placed on a special reemployment list in accordance with their seniority credits. Notice of recall will be made in writing by mail to the employee's home address of record.

3. An employee recalled to a job classification with a lower salary rate than his previous job classification may refuse such position and remain eligible for recall.

K. The representative Union shall be notified of the State's intent to recall any employee.

ARTICLE 39

LAYOFF AND RECALL FOR UNCLASSIFIED EMPLOYEES

A. In the event management determines that a department-wide layoff due to financial exigencies or programmatic changes must take place which will affect unclassified employees the following procedure shall be observed, except for Armorer III and IV and the unclassified employees at the New Jersey Water Supply Authority:

1. The Union shall be notified of the layoff as far in advance as possible.

2. Affected employees shall be given a generalized notice of layoff at least forty-five (45) calendar days prior to the reduction in force.

3. The State will supply the Union with relevant data concerning the layoff.

4. Employees serving in the same job classifications within the work unit affected who, in the judgment of management, have performed unsatisfactorily; or are lacking with respect to having achieved or maintained necessary and/or expected certifications, degrees, or like qualifications; or in the judgment of management are not as capable as others to perform current or future work assignments shall at the option of management be laid off first. Due consideration shall be given to the concepts of affirmative action.

5. Where, in the judgment of management, the elements set forth in section A.4. above, do not distinguish employees affected by the reduction in force such employees serving in the same job classification within the work unit shall be laid off in inverse order of job classification seniority. For purposes of this Article, an employee shall begin to accrue job classification seniority as of six (6) months subsequent to the effective date of the employee's initial appointment to the particular job classification to which he is assigned. Employees who are appointed to a new job title (due to promotion, for example) subsequent to having served the initial six (6) month period shall begin to accrue job classification seniority three (3) months subsequent to the effective date of the employee's appointment to such new job title, provided that there has been no break in service. An employee's job classification seniority accrued prior to a layoff shall be continued and again begin to accrue immediately upon the employee's return to full employment status in the same job title in which he had been serving prior to the layoff. Job classification seniority shall continue to accumulate until there is a break in service. Employees on unpaid leaves of absence or layoff shall not accrue job classification seniority during the leave or during the period of layoff. Employees who are reinstated due to improper application of this Article shall not suffer any loss of seniority accrual.

6. Nothing herein shall convey any bumping rights to employees covered by this article. Failure to comply with any element of this article shall not result in delaying the effectuation of the layoff, and any errors identified with respect to the application of this procedure shall be corrected on a prospective basis only. Back pay shall not be awarded.

7. The various appointing authorities shall create and maintain a recall list by title composed of those employees who were laid off. The list shall continue in existence for nine (9) months following the date of layoff. Employees who are fully qualified, possessing credentials deemed necessary, whose performance has been satisfactory and who are capable of performing the work

to be assigned shall be recalled in inverse order of layoff. The appointing authority shall not be required to recall employees who were laid off pursuant to section A.4. above, however, such employees may be recalled at the option of the appointing authority when the list of eligible employees is exhausted.

8. The term job classifications as used in this article shall encompass all titles within a title series. Hence, layoff will be based upon total seniority within a title series when applicable.

B. Procedure: The appointing authority shall simultaneously notify by regular mail or phone at least three (3) eligible employees of a vacancy in their particular title and a copy of such notice shall be forwarded to the Union. The most senior capable employee affirmatively and timely responding to the notice shall fill the position. The employee must respond within five (5) working days of the receipt of the notice or within ten (10) working days after the mailing. The letter of recall shall specify the latest date by which the employee may timely contact the appointing authority. Employees who do not respond in a timely manner may be permanently removed from the list. Each employee shall be responsible for keeping the appointing authority advised of their current address and phone number. The employee must report to work within a reasonably prompt period of time which in no case shall exceed twenty (20) calendar days. Failure to report within the time frame set forth above may result in forfeiture of the position to which the employee had been recalled and elimination from the recall list.

ARTICLE 40

OUT-OF-TITLE WORK

The State and the Union agree that employees shall be assigned work appropriate to and within their job classification. The assignment of out-of-title work on other than an incidental basis shall be avoided. Instances of such out-of-title work identified by the Union and formally brought to the attention of the State shall be corrected immediately or by phasing out such assignments at the earliest possible time which shall in any case be no later than three (3) months from the time of notification by the Union. The entire three-month phase out period will only be used where the operational needs are such that the work cannot be phased out sooner. The three-month phase out period will not be abused. Any dispute as to whether the work is within the job classification of the employee(s) involved may be resolved by appeal to the Civil Service Commission where the matter will be heard within twenty-one (21) days and a decision rendered within ten (10) days of that hearing. Any dispute concerning the phasing out period will be resolved through the grievance procedure, initiated at Step Three.

This Article does not apply to employees in the unclassified service.

ARTICLE 41

This provision shall not apply to employees in the unclassified service.

B. Effect of Contract

Regulatory policies initiated by the various managers of individual institutions or work locations where these employees are working which have the effect of rules governing working conditions within the individual institution or work location and which conflict with any provision of this Contract shall be considered to be modified consistent with the term of this Contract, provided that if the State changes or intends to make changes which have the effect of eliminating such rules, the State will notify the appropriate Union in writing: Local No. 195 at the Union Headquarters, 186 North Main Street, Milltown, NJ, 08850, or to Local No. 518, New Jersey State Motor Vehicle Employees Union, SEIU, CTW, CLC, to Nicholas Minutillo, 397 Passaic Avenue, Lodi, New Jersey 07644. ARTICLE 50

LIABILITY CLAIMS INDEMNIFICATION

A. Employees covered by this Agreement shall be entitled to defense and indemnification as provided in N.J.S.A. 59:10-1 et seq. and N.J.S.A. 50:10A-1 et seq.

B. For informational purposes only, the following paragraphs generally describe the provisions presently contained in the aforesaid.

1. Defense of Employees

- a. Except as provided in paragraph 2 below, the Attorney General shall, upon the request of an employee, provide for the defense of any action brought against the employee on account of an act or omission in the scope of his employment. The Attorney General's duty to defend shall extend to a cross-action, counterclaim or cross-complaint against an employee.
- b. The Attorney General must provide for the defense of an action unless it is more probable than not that one of the following three exceptions applies:
 1. the act or omission was not within the scope of employment;
 2. the act or failure to act was because of actual fraud, willful misconduct or actual malice; or
 3. the defense of an action or proceeding by the Attorney General would create a conflict of interest between the State and the employee.
- c. In the event the Attorney General determines that the defense of an action would create a conflict of interest, but the act or omission was within the scope of employment and did not involve actual fraud, willful misconduct or actual malice, the Attorney General may in his/her discretion retain outside counsel to represent

the employee. If the State provides a defense, the cost of counsel shall be borne by the State.

- d. In any other action or proceeding, including criminal proceedings, the Attorney General may provide for the defense of an employee if he concludes that such representation is in the best interest of the State.
- e. Whenever the Attorney General provides for the defense of an employee, the Attorney General may assume exclusive control over the representation of such employee and such employee shall cooperate fully with the Attorney General's defense.
- f. The Attorney General may provide for a defense by an attorney from his own staff or by employing other counsel for this purpose or by asserting the State's right under any appropriate insurance policy, which requires the insurer to provide the defense.

2. Indemnification

- a. If the Attorney General provides for the defense of an employee, the State shall provide indemnification for the employee. Nothing in this section authorizes the State to pay for punitive or exemplary damages or damages resulting from the commission of a crime.
- b. If the Attorney General refuses to provide for the defense of a State employee, the employee shall be entitled to indemnification if he establishes that the act or omission upon which the claim or judgment was based occurred within the scope of his employment as an employee of the State and the State fails to establish that he acted or failed to act because of actual fraud, actual malice or willful misconduct. If the employee establishes that he was entitled to a defense, the State shall pay or reimburse him for any bona fide settlement agreements entered into by the employee, and shall pay or reimburse him for any judgments entered against the employee, and shall pay or reimburse him for all costs of defending the action, including reasonable counsel fees and expenses, together with costs of appeal, if any.

Nothing in this section authorizes the State to pay for punitive or exemplary damages resulting from the commission of a crime.

3. Procedures for Requesting Legal Representation and Indemnification

- a. Any employee requesting legal representation from the Attorney General and indemnification shall first make such request to their appointing authority within ten (10) calendar days of the time he/she is served with any summons, complaint, process, notice, demand or pleading. Within a reasonable time from receipt of the summons, complaint, process, notice, demand or pleading from the employee, the appointing authority shall deliver to the Attorney General their recommendation and a copy of the summons and complaint, process, notice, demand or pleading. Upon such delivery the Attorney General may assume exclusive control of the employee's representation and such employee shall cooperate fully with the Attorney General's defense.
- b. After receiving the agency's recommendation, the Attorney General will review said recommendation and in a timely manner will inform the employee in writing whether the Attorney General will provide representation, or if there is a conflict whether the Attorney General will retain outside counsel to represent the employee. In the event that the Attorney General determines that it will not provide for legal representation and/or will not indemnify the employee, the Attorney General shall provide the employee with a written statement of reasons justifying the denial.

4. Dispute Resolution Process

The denial of a request for representation and/or indemnification under this article is a final administrative action which may be appealed directly to the Superior Court, Appellate Division. If the employee appeals the denial of a request for representation and/or indemnification and requests that the Appellate Division accelerate the appeal, the Attorney General will not oppose such a request.

The provisions of this Article shall not be subject to the Grievance Procedure set forth in Article 7.

ARTICLE 51

B. Successor Contract

The Contract shall be renewed from year to year thereafter unless either party shall give written notice of its desire to terminate, modify or amend the Contract. TRANSFER, REASSIGNMENT AND SHIFT OR SCHEDULE CHANGES

A. Transfer

1. Transfer is the movement of an employee from one job assignment to another within his job classification in another organizational unit, department or region as applied in the Department of Transportation.

2. An employee shall not be transferred without the approval and consent of the appointing authority from and to whose unit the transfer is sought, nor without the consent of the employee, or the approval of the Civil Service Commission, except that:

a. The consent of the employees shall not be required when there is a transfer or combining of function of one unit with or to another; and

b. When a temporary transfer is made, the consent of the employee shall not be required; but if the employee objects, he shall have the right to have the transfer reviewed by the Civil Service Department, and any special hardship that may result will be given due consideration.

c. The rights of an employee who has voluntarily transferred shall not be adversely affected except that he shall not retain any rights in the unit from which he was transferred.

d. The right of an employee who has been involuntarily transferred shall not be adversely affected but he shall retain no rights in the unit from which he has been transferred except that if he is on a promotional list, his name shall be retained on the promotional eligible list for the unit from which he has been transferred until he has had an opportunity to take a promotional examination in his new unit and the resultant list has been promulgated.

e. Transfer shall not affect the accumulation of an employee's State or job classification seniority.

3. a. Upon any transfer of a permanent employee, all sick leave and vacation balances shall be transferred with the employee.

b. Upon voluntary transfer, all accrued compensatory time will, at the discretion of the State, be transferred with the employee, taken as time off prior to transfer or paid in cash at the employee's current rate of pay.

c. Upon involuntary transfer of a permanent employee, all accrued compensatory time balances shall be transferred with the employee.

B. Reassignment, Shift or Schedule Changes

1. Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit, department, or region as applied within the Department of Transportation.

2. Reassignments of employees may be made in accordance with the fiscal responsibilities of the appointing authority; to improve or maintain operational effectiveness; or to provide employee development and job training or a balance of employee experience in any work area. Where such reassignments are not mutually agreed to, the appointing authority will make reassignments in the inverse order of the job classification seniority of the employees affected, providing the employees are capable of doing the work, and the objectives stated above are met. Individual shift or schedule changes will be considered to be covered under this provision and paragraphs below.

3. When temporary reassignments are made to achieve any of the objectives in B. 2. above, employees to be affected will be given maximum possible notice. The consideration of seniority otherwise applicable in reassignments will not apply. The utilization of the concept of temporary reassignment will not be abused.

C. Where the principles in B. 2. above are observed, requests for voluntary reassignment within the organizational unit or department shall be given consideration.

An employee desiring reassignment to any job in his organizational unit or department may submit an application through his supervisor in writing to his Personnel Officer stating the reasons for the request. Employees who are capable of performing the work and who apply for such reassignments will be considered and reassignments will be made on the basis of these requests. Where more than one request for reassignment from qualified employees deemed capable of performing the work in such a job is on record, any assignment(s) will be made on the basis of the job classification seniority of employees having recorded such a request except for the Motor Vehicle Division where the present practice and procedure of voluntary reassignment will be observed for employees in the Inspection and Security Unit.

D. 1. When personnel changes in a work unit provide opportunities for shift or schedule changes, interested employees may apply for desired assignments to the work unit supervisor. When there are vacancies available on the day shift, which could be filled through lateral reassignments from workers on the evening or night shift, such vacancies shall be posted prior to the posting of job vacancies so that evening and night shift workers can apply for such lateral reassignments. Such changes in assignment will be made on the basis of the job classification seniority of employees requesting the change, except that priority is given to the assignment of individual employees as provided in paragraph B. 2. above.

2. When a vacancy is filled by an employee from outside a work unit, the employee joining that work unit shall be assigned the open position on the shift and work schedule which were appropriate to the opening.

E. An employee may have on record no more than two (2) requests for reassignment in C. above.

F. When an employee is granted a voluntary reassignment under provisions of paragraphs C. or D. above, he shall then be eligible for only one (1) additional voluntary reassignment in the succeeding twelve (12)-month period. Consideration will be given to a request for additional reassignment where special circumstances exist.

Layoff and Recall Armorer III and IV

A. The unclassified titles Armorer III and IV, utilized by the Department of Military and Veterans Affairs are included in the Operations, Maintenance and Services and Crafts Unit. Employees in those titles are represented by Local 195, IFPTE, AFL-CIO.

B. In the event the Department of Military and Veterans Affairs determines that a layoff of employees in these titles is necessary, the Department will follow to the extent feasible the system of protections and procedures utilized and developed by the Civil Service Commission for the career service for layoff and recall. The Department retains the prerogative to limit bumping rights to something other than Department wide. The language of Article 38 is illustrative of the system. Seniority of involved individuals will be computed in accord with Article 39.

C. Since possession of the "Black Seal" low pressure boiler operator license is a requirement for various job assignments in the Department of Military and Veterans Affairs, individuals not holding a "Black Seal" license may be restricted in their bumping rights due to lack of qualification. The Department retains the prerogative to allow employees full "bumping" rights even if they do not possess the "Black Seal" license. In those circumstances, continued employment will normally be contingent upon attainment of the "Black Seal" license within six (6) months. Exceptions will be discussed with the Union if timely request is made. The Department will attempt to place all persons with greater seniority, but who do not possess the

"Black Seal" license in job assignments where the "Black Seal" license is not a mandatory requirement. It is understood that operational effectiveness must be maintained.

D. The Civil Service Commission will aid the Department of Military and Veterans Affairs in making technical determinations and will assign an individual to discuss any technical determinations concerning bumping rights with the Union or involved employee.

E. It is recognized that the Department of Military and Veterans Affairs maintains the prerogative to coordinate the layoff and recall system set forth herein so that individuals holding the title Armorer I may be integrated into the overall system.

F. Armorers shall be provided with a general layoff notice of at least forty-five (45) days. The Union will be provided with notice of the layoff at the same time notice is given to the employees. If prompt request is made, the Union will be provided with a list of employees to be affected and layoff procedures will be discussed with the Union.

G. Union Stewards will enjoy those privileges pertaining to continuity of job assignment set forth in the body of the Contract.

LETTER OF AGREEMENT #8

Job Security

A. This side letter will confirm the understanding between the parties regarding some of the efforts the State of New Jersey (State) will undertake to lessen the impact of future privatization or the closing of State facilities solely for fiscal reasons that occurs during the period from ratification of this contract through June 30, 2015, and which impacts on employees in IFPTE Local 195 and SEIU Local 518 negotiation units. This letter refers to negotiation unit employees

who are ultimately laid off at the conclusion of the State's layoff procedures, but the layoff would have to be the result of the State's decision to privatize a function or to close a facility solely for fiscal reasons. This Side Letter applies only in those situations involving privatization or closure of a facility solely for fiscal reasons.

B. In the event the State seriously considers privatization or closure of a facility or function that could result in the layoff or displacement of bargaining unit employees, the State agrees to give the Union reasonable advance notice, but no less than 90 days prior to awarding a privatization contract to perform the work or closure of a facility.

C. The State agrees to provide, upon written request by the Union, relevant cost information available to the public, including public documents involving the RFP, once issued, and shall meet with the Union following issuance of the RFP. It is understood that in any event, the decision to privatize is a managerial prerogative that may not be subject to the negotiation process.

D. If there is pending or proposed general layoff, the State may review existing private contracts for work similar to that of the employees considered for layoff or dislocation.

E. The State agrees to comply with all Civil Service regulations to lessen the possibility of the layoff or demotion-in-lieu-of layoff of employees in the negotiation unit.

Consistent with Civil Service regulations, the State will consider the following pre-layoff actions prior to any permanent employees being laid off or demoted:

1. Hiring and promotion freezes;
2. Separation of non-permanent employees;
3. Returning provisional employees to their permanent titles;
4. Securing of transfers and reassignment to other employment;
5. Filling of existing vacancies; and
6. Voluntary reduced work time and voluntary layoff or demotion.

F. The State will provide reasonable training for qualified employees to the extent there are openings and laid off employees require training to fill them.

G. This Side Letter is for informational purposes only.

One article of that agreement embodies a condition whereby employees are required to pay a representation fee to the Union. As a condition of the continuance of that requirement, it is understood that the Union will provide relevant financial information to employees and maintain its demand and return system in such manner as to be in accord with the then current law and determinations by the U.S. Supreme Court in all related matters but specifically with regard to expeditious response, provision of required information and the preservation of individual's constitutional rights; and further, it is understood that any rules or regulations promulgated by the New Jersey Public Employment Relations Commission concerning this matter will be abided by in the administration of the program.

LETTER OF AGREEMENT #13

Promotional Procedures, New Jersey Water Supply Authority

A. The Executive Director of the New Jersey Water Supply Authority or his designee will advise employees in the Operations, Maintenance and Services and Crafts and Inspection and Security Units if a vacancy in such units may be filled through the promotional process. For purposes of this section, a promotion means the advancement of an employee to a job classification at a higher salary range.

B. The Executive Director or designee will also indicate whether applicants for the vacancy will be recruited only internally or whether there will be simultaneous internal/external recruitment. An initial decision that applicants will be recruited only internally shall not later preclude the New Jersey Water Supply Authority, after reviewing the internal applicants, from advertising the position externally.

C. The announcement of the promotional opportunity will be posted for a period of at least 7 days and will include, in addition to the information required above, a description of the job, salary range, any required qualifications, shift assignment and procedures to be followed by employees interested in applying. A copy of the posting will be sent to the Union Headquarters.

D. Employees in the above mentioned units at New Jersey Water Supply Authority who meet the minimum qualifications for the position may apply. The New Jersey Water Supply Authority will consider education, experience, licenses, knowledge, skills and abilities in deciding who will be promoted. Where all factors are equal, seniority will be considered.

E. Each internal candidate will be notified in writing of the Executive Director or designee's decision with respect to his candidacy. This decision will indicate: 1) that the applicant has been offered the position, or 2) that the applicant has not been offered the position, or 3) that the

position will now be advertised externally and he will continue to be considered for the position together with external candidates.

F. Where a promotion is consummated as a result of this procedure, the appointing authority will post the name of the individual promoted for seven (7) calendar days and will forward a copy to the Union Headquarters. If an external candidate is hired to fill the position, the name of the individual will be provided to the Chapter President and the Union Headquarters.

LETTER OF AGREEMENT #14

Layoff and Recall Procedures for the New Jersey Water Supply Authority

A. In the event the New Jersey Water Supply Authority determines that a layoff of employees is necessary, the New Jersey Water Supply Authority will follow, to the extent feasible, the system of protections and procedures agreed to by the parties. The New Jersey Water Supply Authority retains the prerogative to limit bumping rights to something other than Agency-wide. The language of Article 38, Layoff and Recall-Career Service, of the Contract is illustrative of the system. Seniority of involved individuals will be computed in accord with Article 39, Layoff and Recall for Unclassified Employees.

B. Since possession of the "Black Seal" low pressure boiler operator license or Commercial Driver's License is a requirement for various job assignments in the Agency, individuals not holding a "Black Seal" license or Commercial Driver's License may be restricted in their bumping rights due to lack of qualification. However, the agency retains the prerogative to allow employees full bumping rights even if they do not possess the "Black Seal" license or Commercial Driver's License. In those circumstances continued employment will normally be contingent upon attainment of the "Black Seal" license or Commercial Driver's License within six (6) months. Exceptions will be discussed with the Union if timely request is made. If the Agency does not permit full bumping rights, it will attempt to place all persons with greater seniority, but who do not possess the "Black Seal" license or Commercial Driver's License in job assignments where the "Black Seal" license or Commercial Driver's License is not a mandatory requirement. It is understood that operational effectiveness must be maintained.

C. Employees shall be provided with a generalized layoff notice of forty-five (45) days. The Union will be provided with notice of the layoff at the same time notice is given to the employees. The New Jersey Water Supply Authority will meet with the Union, if requested in writing, to discuss alternatives to the layoff and, if requested in writing, provide the Union with a list of the names of the employees at the New Jersey Water Supply Authority whose positions will be vacated or abolished.

D. This letter of agreement shall be grievable pursuant to the provisions of Article 7, Grievance Procedure, section A.1. (contractual grievance).

Such representatives of the New Jersey Water Supply Authority and the Union shall meet some time during the second week of July, October, January and April, or whenever the parties mutually deem it necessary. These meetings are not intended to bypass the grievance procedure or to be considered collective negotiation meetings, but are intended as a means of fostering good employment relations through communications between the parties.

3. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such meetings.

B. A maximum of three (3) members of the Unit may attend such meetings and if on duty, shall be granted time off to attend, not to be deducted from the time provided in Article 33, Union Rights and Representatives.
